MAGIC CARPET

Equipment:

Single piece of tarp, plastic cloth, or sheet. Other options include a plastic shower curtain, plastic tablecloth or blanket. For groups of 8 to 12 participants, the “magic carpet” should be approximately 4 feet by 5 feet.

Challenge:

The group is on a magic carpet ride high above the country when someone realizes that the group is going the wrong direction. Then you notice that the carpet is upside-down. Since you are no longer touching the ground, you must turn the carpet over without stepping off the carpet.

In order to limit the risk in this activity, request that all participants must maintain contact with the carpet at all times. This eliminates the option of carrying participants on shoulders and other balance related concerns.

Refreshment:

Apple slices
