

**One day can make a difference.
One day 4-H is going to change Texas.**

This October 8th, all over our state, 4-H clubs will once again be going out into their communities to lend a helping hand in exciting new ways. What will you do?

Choose something as simple as mowing a local neighbor's lawn, or organize hundreds of your 4-H friends and design a project that benefits your entire county. Whether you work by yourself or with other community groups—it's all good!

Sponsors and donors, we need your help! Get behind this unprecedented opportunity for outreach and help us show Texas, our country, and the world why 4-H IS the future!

Be creative—the sky's the limit! Let's join together and show everyone the power of 4-H—one day!

Information for organizing your communities one day 4-H event are available on-line now at the Texas 4-H and Youth Development Site. As more ideas are shared and more information is developed it will be available on the site, so check back on regular basis.

What will you do, one day?
