Secretary: Cinnamon Toast Crunch  
Treasurer: Lucky Charms  
Reporter: Cocoa Krispies  
Historian: Corn Pops  
Health & Safety Officer: Raisin Bran Crunch  
Parliamentarian: Frosted Flakes  
Council Delegate: Golden Grams

The best way to start out the day is with breakfast. It is important to have a healthy start to the new 4-H year. Let's take a look at the breakfast menu for the \_\_\_\_\_ 4-H Club.

\_\_\_\_\_ Running a club meeting is the important job of the President. In order to keep all members engaged and the meeting moving along, you may need to have a few "Trix" up your sleeve. This box of Trix cereal will be a reminder for you as President to do your best when leading club meetings.

\_\_\_\_\_ Chairing committees and introducing the program are part of the 1st Vice President role. There are also other special jobs too. You may come to feel that you are a "Jack" of all trades this year. This box of Apple Jacks will remind you to use creativity while serving as Vice President.

\_\_\_\_\_ Fun and games led by the 2nd Vice President will keep the meeting "Rolling". The box of Fruit Loops will remind you of the colorful fun your games and recreation will provide.

\_\_\_\_\_ Motivating the club's membership and making new members feel welcomed is the role of the 3rd Vice President. Your creative approach to expanding the club membership will give our club something to "Cheer" about. This box of Honey Nut Cheerios will encourage you to lead the club in maintaining our membership.

\_\_\_\_\_ Notes of thanks, minutes and roll call are completed thanks to the Secretary. You deserve a "Toast" in advance for your hard work. This box of Cinnamon Toast Crunch reminds you to keep the club records in order.

\_\_\_\_\_ Keeping track of deposits and expenses will be the job of the Treasurer. You may need a little "Luck" to spot that pot of gold in the club account. The Lucky Charms will remind you of the importance of the club treasury.

\_\_\_\_\_ Telling the story of our club to the press and the Extension Office is the role of the Reporter. "Snap, Krackle and Pop" the news to all the media. These Cocoa Krispies will remind you that we will be watching for you in the news and 4-H newsletter.

## ***Officer Installation***

\_\_\_\_\_ Everyone will have a way to remember the club year because of the Historian. You will soon be “Popping” up all over with your camera. These “Corn Pops” will help remind you of your important role to our club.

\_\_\_\_\_ Sharing ideas to keep everyone safe and healthy is the job of the Health & Safety Officer. You will help club members from getting in a “Crunch” by educating them on eating healthy, exercise, and safety practices. This “Raisin Bran Crunch” will help remind you of your important role to our club.

\_\_\_\_\_ Advice on motions and other parliamentary items will come from the Parliamentarian. Don’t forget to add a little sweetness to your “Flakes” of advice. These Frosted Flakes will help remind you that “You’re Grrreat!!”

\_\_\_\_\_ Attendance at Council Meetings and reporting the results are the job of Council Delegate. These Golden Grahams will remind you to offer a “Gram” or report, to our club, after each meeting.

As you can see, we have some tasty options on our club’s breakfast (officer) menu this year. This officer menu can only be found at the \_\_\_\_\_ 4-H club. Don’t start the club meeting without them!

*Note: No endorsement of these products by 4-H is implied or intended.*
