

### Schedule

Schedule will be determined and announced as soon as all registrations are received. All efforts will be made to accommodate special scheduling requests.

### RANGE LOCATION

The range for this event is located in Victoria at the Victoria County 4-H Activity Center (259 Bachelor Dr. Victoria, TX 77904).

### WHEN TO ARRIVE

Each squad has a start time and an end time. As each day progresses, it is possible that time will be gained in the shooting schedule. This may mean that a team's actual shooting time could come earlier than what was posted. To keep the match flowing and maximize time, we ask that all shooters arrive at least 1 1/2 hours prior to their posted squad time and be ready to shoot. It's best to arrive as early as possible to give shooters time to familiarize themselves with the range and be completely prepared for their squad.

## 2019 4-H Roundup Indoor Rifle Match Victoria County 4-H Activity Center June 7-9

Congratulations for qualifying for the 2019 4-H Roundup Indoor Rifle Match! We welcome you to this competition to test your abilities against other top 4-H rifle shooters around the state. Please read all of the information in this flyer to help you prepare for the event.

Qualified participants must register for this event individually via their 4-H Connect profile. One coach per qualified team/individual competitor must register on 4-H Connect as well. **Preferred squad day and time for the team/individual can only be requested through the coach registration.**

At check-in prior to shooting, each shooter must present a completed **Liability Waiver and Medical Information** form.

Targets for this match may be different from the ones you shot at your district match. The target that will be used at this match is the Orion Indoor 50 foot rifle target. A representation of this target can be found on the second page of this information.

Victoria County 4-H Range does **not** allow hollow point ammunition. Please remember to bring and use the appropriate ammunition.

If you have trouble finding the range or have any other need pertaining to this match on the days of the match, please feel free to contact the office phone; 979-845-1214.
