# APPLICATION AND SUBMISSION GUIDELINES

These Guidelines should be reviewed and followed by any Texas 4-H member applying for a 2017 Texas 4-H Opportunity Scholarship. Both 4-H members and parents/guardians are encouraged to review the rules and guidelines prior to beginning the application process to ensure eligibility and proper completion of application.

## SCHOLARSHIP PROGRAM OVERVIEW

Texas 4-H Youth Development Program Opportunity Scholarships are **ACADEMIC SCHOLARSHIPS** awarded each year to applicants based on their academic record, 4-H experience, and financial need (for scholarships for which it is a required criterion). The Texas 4-H Youth Development Opportunity Scholarship Program is conducted by the Texas 4-H Youth Development Foundation. All applications must be submitted through the applicant's county Extension office and meet all criteria to be considered.

Well over 200 academically-competitive scholarships will be awarded in the 2017 Texas 4-H Scholarship Program ranging in amounts from \$3000 to \$20,000.\* No scholarship recipient whose award is based on this application process will receive less than \$3000.\* The Texas 4-H Foundation seeks to ensure that each recipient receives the highest dollar amount of scholarship for which that recipient is eligible. For the majority of the total scholarships and scholarship funds available, participation in a livestock show is not a requirement for consideration for an Opportunity Scholarship. \*This will exclude scholarships provided through the Texas Extension Education Association and the San Antonio Livestock Exposition School Tour Scholarship programs.
