What's New/Important Reminders 2018-2019

All Youth Protection Standards Information and Forms are available on the Texas Resources Website – texasresources.tamu.edu (log in with AgNetID).

Address for Volunteer Screening Payment

Volunteer screening payment made by check should be sent to the following address:

Texas A&M AgriLife Extension Service
Texas 4-H
2473 TAMU
College Station, TX 77843-2473

Volunteer Cards

Volunteer cards are available for distribution. At any time in the year, if a county is needing volunteer cards, they can request them from the State 4-H Office.

Final Approval of 4-H Volunteer Applications

Please note that screening of volunteers is conducted after the volunteer has submitted his/her application. The county Extension office gives final approval on volunteer applications. If paying by credit card, the card will be charged when the volunteer profile is approved at the county level. When paying by check, the county cannot approve the volunteer profile until the check payment has been received by the State 4-H Office and payment has been indicated in 4-H CONNECT.

Re-activating 4-H CONNECT Profiles

When volunteers enroll for the new 4-H year, it is important they re-activate their profile on 4-H CONNECT and **not** create a new profile. If a new profile is created, the volunteer screening information will not transfer to the new profile. Therefore, the system will indicate the volunteer needs to be screened.

Extension Employee Profiles

The following applies to Extension employees - agents, specialists, associates, assistants, and district/state administrative assistants. It does **not** apply to county employees, such as program assistants and/or support staff.

Since Extension employees are screened through AgriLife Extension Human Resources, they do **not** have to be screened through YPS. When Extension employees create or re-activate a profile, there is an option on the personal information page to indicate whether or not one is an Extension employee. Selecting this option will bypass the employee around the screening and training requirements, as well as the volunteer application fee. Once an employee's profile is approved at the state level, it will then be ready for approval at the county level.

I. Screening Overview

A. Who is screened?

1. All direct volunteers who work with youth and adults should be screened through the Youth Protection Standards Program. See Attachment A.
2. Initial screening of a volunteer is conducted when he/she applies for a volunteer role with the Texas A&M AgriLife Extension Service. Volunteers must be screened prior to fulfilling any volunteer roles.
3. Re-screening of all Extension volunteers is conducted every three years from the volunteer's most recent screening.

Note: 4-H Volunteers - The need for re-screening is determined on a 4-H year basis. For example, a volunteer screened any time prior to or during the 2014-2015 4-H year (between September 1, 2014 and August 31, 2015, also considered "4-H Year 2015") needs to be re-screened at the beginning of 4-H Year 2018 (9-1-17 thru 8-31-18).

B. Who is a direct volunteer?

1. A direct volunteer is any adult who meets the following criteria:
 - a. Provides unpaid support for Extension through face-to-face contact;
 - b. Provides a learning experience for adults or youth within Extension;
 - c. Has an individual volunteer application on file with the appropriate program area;
 - d. Has a position description on file; and
 - e. Has passed a criminal background check within the past three years.
- f. **Note:** 4-H volunteers must also pay the annual volunteer application fee (\$10) and complete required trainings on 4-H CONNECT prior to being accepted.
2. Master volunteers are also considered to be direct volunteers.

C. Are overnight or driving chaperones screened?

Yes! Individuals who are driving youth or chaperoning youth for overnight events are considered direct volunteers and must be screened and cleared through the Youth Protection Standards Program prior to serving as a volunteer.

Examples: Texas 4-H Roundup Chaperone, a driver to Texas Teen Retreat, helping lead a workshop at Texas 4-H SpecTra, 4-H Club Manager, Livestock Mentor, 4-H project leader, Master Volunteer, or Shooting Sports Leader, etc.

D. What kind of criminal background check is conducted?

1. A national criminal background check is conducted through VolunteerNow (formerly the Volunteer Center of North Texas). This is a nonprofit group designated through legislation that all state agencies with volunteers use to conduct background searches.
2. The criminal background check consists of a Texas DPS records search, a national search of multi-jurisdictions and state and national sex offender registries.

E. What information is required for screening?

1. Full, legal name (first, middle and last)
2. Address
3. Date of Birth (***Be sure to put the correct year!***)
4. Gender
5. Race/Ethnicity (Although optional, this helps affirm the volunteer's identity.)

6. First five digits of social security number
7. Driver's License number

Note:

- All information is a determining factor that helps confirm the volunteer's identity when a background check is completed.
- For all volunteer applications (whether a Master Volunteer paper application or online form), it is imperative that all requested information is provided to avoid any delays in the screening process.

F. When is screening conducted?

1. Initial screening of a volunteer is conducted when he/she applies for a volunteer role with Extension.

Note: Volunteers must be screened prior to fulfilling any volunteer roles.

2. Re-screening through the YPS program is conducted every three years from the volunteer's most recent screening.
3. No grand fathering of volunteers is allowed in the YPS program.
4. Volunteer applications are processed for screening on a weekly basis in the Texas 4-H YPS Office.

G. Is screening conducted by other entities accepted by Extension?

1. Volunteers may document a prior criminal background check from another entity on the volunteer application or when enrolling in 4-H CONNECT.
2. Extension will only accept screenings performed by entities on the approved list. See Attachment B. The minimum requirement is a criminal background check conducted through DPS or a national criminal search entity.
3. Documentation of screening by other entities is required.

- a. Documentation may include a letter of acceptance from the employer or volunteer group, a letter written from the screening entity to Extension stating the volunteer has been screened and passed, or a copy of the volunteer card or credentials.

Note: A volunteer will not be approved to serve as a volunteer until documentation of a previous screening by another entity has been provided, reviewed, and accepted by the Texas 4-H YPS Office.

- b. A copy of the letter stating the volunteer has been screened by another approved entity should be forwarded to the Texas 4-H YPS Office, with a copy also maintained in the county office. These files will be permanently maintained in the Texas 4-H YPS Office.
- c. Master Volunteers: A volunteer who completes a volunteer application, and submits a letter of screening from an approved entity and, therefore, does not need to be screened through YPS, does not need to submit \$10.
- d. 4-H Volunteers: A volunteer who completes an online volunteer application, and submits a letter of screening from an approved entity, and therefore, does not need to be screened through YPS, must still pay the volunteer application fee.
- e. If a volunteer claims prior screening, but it is not from an approved entity, he/she must be screened through the Youth Protection Standards Program.
4. Although volunteers may have been screened and passed a criminal background check through an approved entity, it is Extension's policy that volunteers be screened every three years, no matter the entity.

Example: A volunteer who passed a criminal background check when he/she began volunteering with a church in 2009, but has not been re-screened since the initial screening, must be re-screened through the YPS Program or provide proof of a more recent screening.

H. How are volunteer applications processed?

1. Volunteer applications and information are reviewed and processed by two employees who oversee the YPS program and complete the data entry.
2. These individuals have been screened for security sensitive purposes and to handle confidential information.
3. Only individuals who have been trained and certified through VolunteerNow may review the criminal history results. Copies of the results cannot be shared with anyone including the volunteer being screened.
4. County Extension Agents are not informed of the details of the criminal history record. Information obtained through the volunteer application and screening is held in the highest confidence.
5. All forms are kept under double lock and key. All electronic files are password protected at multiple levels.

I. How are screening results reviewed?

1. Criminal records are reviewed for “red flags.” A red flag is a charge or conviction on a criminal history record.
2. All official criminal history records are shredded and not kept on file, unless the volunteer is pending due to a request for more information.

J. How is the status of volunteers determined?

1. A volunteer’s status is based on the charge or conviction, frequency of offense, and the amount of time passed since the occurrence of the offense.
2. All volunteer records are reviewed and handled on an individual basis.
3. Although criminal records are comprehensive over an individual’s lifetime, the YPS program focuses on the most recent ten (10) years of the summary. Convictions in the dismissed section below are the exception to the 10-year focus.
4. Volunteer applicants are identified with one of the following status categories:
 - a. Cleared: Approved to fulfill all duties of the volunteer role for which the volunteer is applying.
 - b. Restricted: Restrictions may be imposed based on the charges or conviction records.

Example: A conviction of numerous hot checks would result in a restriction of not handling or managing any group funds.

Example: A DWI conviction in the last ten years would result in a restriction of not driving youth other than the volunteer’s own legal children.
 - c. Pending: This determination is based on an incomplete criminal history report, no disposition of a case or a question related to a charge. Additional information may be requested from a volunteer. Any follow-up information is sent by the volunteer to the Texas 4-H YPS Office. Details regarding records are not shared with county or other program faculty.

- d. Dismissed/Denied: A volunteer is dismissed/denied based on certain convictions of the Texas Penal Code. Automatic dismissals result from indecency with a child, injury to a child, sexual assault, murder or felony drug convictions. A volunteer may also be denied if he/she does not respond to requests for more information on a charge(s).
Examples: A conviction of embezzlement or mishandling Extension group funds would result in dismissal. A registered sex offender would result in a denial.
5. No person may serve with youth or children who has ever been convicted of any disqualifying offense, been on probation or received deferred adjudication for any disqualifying offense, or has presently pending any criminal charges of any disqualifying offense before a determination of guilt is made including any person who is presently on deferred adjudication. Disqualifying offenses include, but are not limited to, the following:
 - A felony or misdemeanor classified as an offense against a person or family.
 - A felony or misdemeanor classified as an offense against public order or indecency.
 - A felony or misdemeanor violation of any law intended to control the possession or distribution of any substance included as a controlled substance in the Texas Controlled Substances Act.

K. What warrants a volunteer to be re-screened or his/her status reviewed?

1. The following conditions may warrant review of a volunteer's status or re-screening:
 - Questionable situation
 - A written complaint against a volunteer
 - Knowledge of a volunteer being charged or arrested
 - Knowledge of a volunteer making an improper advancement toward a youth
2. County Extension Agents should communicate with their respective District Extension Administrator immediately upon learning of an incident or questionable situation.
3. Copies of correspondence sent to the volunteer (i.e. dismissal letter) should be sent to the Texas 4-H YPS Office and the Texas 4-H Program Director so it may be filed with the volunteer's record.

L. Grievance Procedure

The following is the procedure if a volunteer chooses to dispute a decision made during the application process or at any time during the volunteer's appointment with Extension.

1. Volunteer submits concern in writing to the Texas 4-H YPS Office, with a copy to the District Extension Administrator and county Extension agent. Letters should be sent to the following address:

Texas A&M AgriLife Extension Service
Courtney F. Dodd
2473 TAMU
College Station, TX 77843-2473

2. The appeal is reviewed and the volunteer receives a written statement from the Texas 4-H YPS Office regarding the decision made within a reasonable amount of time.

3. This grievance procedure pertains only to decision(s) made by Extension personnel. If a concern is raised about the information obtained through a criminal background check, the volunteer should be given the following information.

If an applicant disputes information that is on the criminal history record transcript, he/she must follow the procedure to review personal criminal history record, which includes getting fingerprints and sending the prints to DPS along with the appropriate form. If it is determined that the record is indeed the applicant's own record and the applicant feels that there is a mistake in the criminal record, a letter should be written specifying the area of concern. An investigation will be conducted to determine whether or not an error has been made. Any costs associated with the process will be the responsibility of the volunteer.

The letter should be addressed to:

Texas Department of Public Safety
Error Resolution Department
P.O. Box 4143
Austin, TX 78765-4143
512/424-2151

II. 4-H Volunteer Screening Procedures

A. Volunteer Forms:

1. All 4-H volunteers must enroll online via 4-H CONNECT. If a volunteer does not have access to the internet, he/she may complete and submit a Texas 4-H Adult Volunteer Application (downloaded from the Texas Resources website: texasresources.tamu.edu or the Texas 4-H Website: texas4-h.tamu.edu/volunteer/). The County Extension Office must then input the volunteer's information into 4-H CONNECT.
2. Since 4-H volunteer screening is processed through 4-H CONNECT, 4-H volunteer forms do NOT have to be sent in to process for screening. However, payment must be received in order for the volunteer application process to be completed.
3. New in 2016-17, 4-H volunteer applicants must complete the required training online prior to submitting their volunteer application. However, these trainings are only required to be completed every two years.

B. Screening Cost and Payment Options:

1. 4-H volunteers are assessed a volunteer application fee in the amount of \$10. This fee is assessed annually when a 4-H volunteer creates or reactivates his/her profile in 4-H CONNECT. The application fee will cover the cost of volunteer screening as well as insurance coverage.
2. Payment of the 4-H volunteer application fee can be made by club/county check or credit card.
 - a. Credit Card Payments: Upon processing of the credit card payments by the state 4-H office, criminal background checks will be processed as needed.
 - b. Check Payments: If payment of the volunteer application fee is made by check, the screening will be conducted. Then, the County Extension Office will create an invoice, secure a check, and mail both invoice and check to the State 4-H Office. Once received, the invoice and check will be processed and credited against the 4-H volunteer's profile. Once this entire process is completed, the county may then give final approval of the volunteer's profile, which will then become "active." ***Please note that the check payment process is much slower than payment made by credit card since profiles cannot be approved at the county level until payment is received and processed.***
 - c. Checks should be made payable to Extension #255003 and sent in to the following address:
Texas A&M AgriLife Extension
Texas 4-H/Connect Payments
2473 TAMU
College Station, TX 77843-2473
 - d. Check payments for volunteer application fees must be paid separately and not combined with youth enrollment or event registration fees.
 - e. Each county, club and/or association is responsible for determining how to cover the cost of volunteer application fees.

C. Creating an Invoice for Payments by Check

When paying the volunteer application fees by club/county check, a volunteer screening invoice generated from 4-H CONNECT ***must*** accompany the payment.

1. Log into 4-H CONNECT.

2. Click the [Finances] Tab.
3. Click the [Transfers] Tab.
4. Click the [Quick Add] link.
5. Scroll down to the Enrollment section to view all the adult enrollments that require a payment.
6. Click the orange [Create] button under the enrollment section.
7. Click on the box to the left of each adult to include on the transfer invoice.
8. Click either of the orange [Save] buttons.
9. Review the invoice and click [Submit]. This will lock the transfer for any future changes or adjustments.
10. Click the [Print Transfer] link. This will prompt you to save or open up depending on the settings on the computer.
11. Mail the transfer, along with the check payment, to the State 4-H Office. **Please note:** volunteer application fees paid by check will not become eligible for approval at the county level until the payment has been received and processed by the State 4-H Office.

D. Follow Up to Screening

1. Volunteer Status
Upon completion of screening, a 4-H volunteer's status will be updated in 4-H CONNECT. The status will be designated as one of the following:
 - Approved,
 - Restricted from handling funds,
 - Restricted from driving youth other than own children, or
 - Denied.
2. Correspondence
 - a. An e-mail is sent stating the volunteer profiles have been updated in 4-H CONNECT. The volunteer profiles are then ready for final approval at the county level (will be listed in the "Awaiting County Approval" list).
 - b. If a volunteer is restricted or denied, a letter will be sent directly to them from the YPS office, with a copy of the letter e-mailed to the County Extension Agent, District 4-H Specialist and District Extension Administrator.
3. Volunteer Cards
Volunteer cards are available for distribution. Cards may be requested from the State 4-H Office.

F. Screening Summary Spreadsheets

1. County Extension Agents may generate a volunteer screening report from 4-H CONNECT. To access the report, follow the instructions below:
 - a. Logged in to your county profile, click on the "Reports" icon on your dashboard.
 - b. On the reports page, click on "Shared" to access shared reports created at the state level.
 - c. From the list of reports, click on "Volunteer Leader Screening Status" and then "Run Report."
 - d. This report will provide you with a list of all 4-H volunteers in your county that have a 4-H CONNECT profile and their screening status/last year approved through YPS.

III. Non-4-H Volunteer Screening Procedures

A. Volunteer Forms

1. All Master Volunteers and BLT Volunteers must complete and submit a Volunteer Background Check Form. It is imperative all information requested is provided to avoid any delays in the screening process.
2. EFNEP Volunteers should use the EFNEP Volunteer Registration Form (EFNEP-2816).

B. Screening Cost and Payment Information

1. The cost of screening is \$10 per volunteer.
2. One check per county submission is required from the appropriate volunteer group or association.
3. Checks should be made payable to **Extension Account #255003** and sent to the following address:
Texas 4-H Office
Youth Protection Standards
2473 TAMU
College Station, TX 77843-2473
4. Each county, club and/or association is responsible for determining how to cover the cost associated with screening volunteers.
5. Screening of volunteers is not conducted until payment is received in the Texas 4-H YPS Office. Therefore, counties should plan to submit volunteers for screening **at least one month prior to fulfilling any volunteer duties.**

C. Process for Submitting Volunteer Applications

1. Volunteer applications are completed and submitted to the County Extension Office in which the volunteer resides.
2. The volunteer applications are then forwarded to the Texas 4-H YPS Office with a transmittal form and a check for \$10 per volunteer being screened. The transmittal form is included in Attachment C.
3. Counties are asked to send volunteer applications on a monthly basis and not hold volunteer applications for extended periods of time. Volunteer applications are processed for screening on a weekly basis.
4. Please note that screening will not be processed until payment is received.

C. Follow Up to Screening

1. Volunteer Status & Screening Summary Spreadsheets
 - a. A screening summary spreadsheet is maintained for each county volunteer group.
 - b. Upon completion of screening, counties will receive an updated screening summary spreadsheet via e-mail, with the names of volunteers screened and the volunteers' status (cleared, restricted, pending, dismissed).
 - Cleared (C)
 - Restricted Money (R-M)
 - Restricted Driving (R-D)
 - Pending (P)

Denied (D)

- d. Counties should use the screening summary spreadsheet to determine volunteers that are due for another screening.
 - e. Any time county faculty needs an updated copy of the screening summary spreadsheet, a request can be made with the Texas 4-H YPS Office (yps@ag.tamu.edu), and the spreadsheet will be sent to the county Extension agent via e-mail.
2. Correspondence
- a. An e-mail is sent to the county stating volunteers have been processed, with the screening summary spreadsheet attached.
 - b. When a volunteer is pending, restricted or dismissed, letters are sent from the Texas 4-H YPS Office directly to the volunteer, with a copy of the letter e-mailed to the County Extension Agent, 4-H Specialist and District Extension Administrator.
 - c. A letter may be sent from the county Extension office to the volunteer notifying them of their “approved” screening status. See Attachment D for example.
3. Volunteer Cards
- Volunteer cards are available for distribution. Cards may be requested by contacting the State 4-H Office.

Volunteers may document a prior criminal background check from another entity on the volunteer application. The Texas AgriLife Extension Service will only accept screenings performed by entities on the approved list. The minimum requirement is a criminal background check conducted through DPS or a national criminal search entity.

Documentation may include a letter of acceptance from the employee or volunteer group, a letter written to the Texas AgriLife Extension Service stating the volunteer has been screened and passed, or a copy of the volunteer card or credentials (*Example*: copy of concealed handgun license). All information provided must be visible and readable.

If a volunteer claims prior screening, but it is not from an approved entity, he/she must be screened through the Youth Protection Standards Program.

Although volunteers may have been screened and passed a criminal background check through an approved entity, it is Extension's policy that volunteers be screened every three years, no matter the entity.

*Counties should not have county law enforcement (sheriff's department) screen volunteers for free or a minimal fee. This screening is a local, county search and does not search all records that the YPS search does. However, if a volunteer was screened through the county law enforcement for county employment purposes, that screening is accepted by Extension. Proof of screening with the past three years must be provided.
