Texas 4-H Youth Development Program

April 3, 2017

To Whom It May Concern:

Texas 4-H Roundup will be held in College Station, Texas June 5-8, 2017. Information about registration and the overall event are within this document. It is important to read thoroughly to ensure your registration process is as smooth as possible.

Please be sure to also read the Texas 4-H Roundup Rules & Guidelines which was released September 2016. This document will be very helpful in assisting agents, parents, and youth with any questions regarding Texas 4-H Roundup Contests. Information can also be found at http://texas4-h.tamu.edu/events/roundup/

The following highlights are some of the major changes for this year’s event which were announced in September when the Roundup Guidelines were published.

4-H Roundup is an exciting event for all 4-H’ers. Even those who do not qualify at a district contest may attend any of the contests marked as “invitational” or “non-qualifying” throughout the rules and guidelines.

REMINDERS / CHANGES FOR 2017

Changes in red bold

- Assemblies will begin at 7:00 pm this year. There will be some pre-assembly activities starting at 6:30 pm.
- Winner line-up will be at 6:00 pm and will include a light buffet for the award winners. Prompt arrival is a must to allow for check-in and time to eat.
- Youth MAY NOT participate in more than one contest in a day.
- All contest registrations (Qualifying or Invitational) will be $25.00. There will not be a one-day pass option for contests.
- The Invitational Meat Judging and Identification contest will be held simultaneously with the qualifying contest on Wednesday. The invitational contest will be open to individuals or teams of two, limit of three teams per county.
- Robotics Challenge. This contest will be limited to one intermediate and/or one senior team per county. Entries will be accepted on a first-come, first-served basis for a total of 36 teams.
- The Healthy Lifestyles contest will be held Thursday, June 8th.
- The Recipe Rally Contest – Dinner Tonight presentations will NOT be held in 2017.
- As a point of clarification, in an invitational contest, a county may only have a maximum of 2 individual entries per age division. If there are at least 3 individuals from the county in the same age division, they will be considered a team. If a team and its members are not designated on the registration, they will be placed on a team by the State Office.
- Intermediate Age youth can compete as a Senior to complete a team for SOME Invitational Contests. This will NOT be allowed for the following contests: Hippology, Healthy Lifestyles Invitational, and Livestock Skill-A-Thon, as these contests have the opportunity for a team to advance to a National Contest and that National Contest requires “Senior Age” youth.
- The Horse and Open FCS Educational Presentations are open to Individuals or Teams of 2 due to the National Contest Opportunity available for this particular category. No more than 2 members can compete at the next level.
- A Share-The-Fun “Best of Show” will be selected each evening by audience participation through voting via text message.
- The Archery match will be limited to 120 participants. Entry will be on a first come, first-served basis. Contestants must be a part of an organized 4-H archery program under the supervision of a certified archery coach to participate in this contest.

We look forward to another fantastic year and cannot wait to see you in College Station! If you have any questions, do not hesitate to contact me.

Sincerely,

Jaña Barrett

ROLE OF COUNTY EXTENSION AGENT IN ROUNDUP REGISTRATION

- Register for Texas 4-H Roundup via 4-H CONNECT.
- Provide all necessary registration information to 4-H members and adults regarding Texas 4-H Roundup.
- Once the scholarship list has been released, notify any 4-H members on the list and provide them with the registration information for Roundup.
- Ensure all adults attending Roundup are registered volunteers and have been screened and approved through the Youth Protection Standards Program. All volunteer applications for screening must be received in the Youth Protection Standards office by **Monday, May 8, 2017**. This will also ensure your profile status will be active and avoid any late registration fees.
- Attend Salute to Excellence Banquet if anyone from the county is being honored during the event.
- Help 4-H members/parents/volunteers understand that it is THEIR RESPONSIBILITY to register online via 4-H CONNECT. County Extension agents need to “certify” each registration through 4-H CONNECT.
- Make sure you have secured a chaperone for each 4-H youth attending Texas 4-H Roundup. The required ratio is 1 adult for every 8 youth. Each youth should have a chaperone of the same gender assigned to him/her.
- Make reservations for the entire county or provide each family with a list of the hotels.
- Provide updated information to all youth and adults regarding Roundup events, contests, and activities. An information meeting is ideal to educate participants and chaperones on all the aspects of Texas 4-H Roundup and county delegation expectations. Updates will be sent out to county Extension agents via e-mail.
- Promote the opportunities of Texas 4-H Roundup to local youth and adults.
- Download the **Health Form** for all participants from 4-H CONNECT and maintain with you at all times in case of an emergency. Those registering on-site can complete the Waiver, Indemnification, and Medical Treatment Authorization Form (See Appendix B)
- Complete the Authorization for Dispensing Medication Forms with Completed Record for any youth indicating medication needs on their Medical Form. (See Appendix C)
- Provide Texas 4-H Roundup website address to all participants [http://texas4-h.tamu.edu/events/roundup/](http://texas4-h.tamu.edu/events/roundup/)
YOUTH EXPECTATIONS

The Texas 4-H Youth Development Program and staff want every youth to have the best possible experience at the event. We ask that each youth carefully read and make every effort to abide by these guidelines while at Texas 4-H Roundup in order to have a great and enjoyable time.

- Behave in a respectable manner and serve as a role model for those around you.
- Abide by all the rules for Roundup, including the 4-H Consequences of Misbehavior and Code of Conduct.
- Any conduct deemed unacceptable will result in immediate removal from Texas 4-H Roundup. In addition, other actions (i.e. removal from Texas 4-H Program, banning from Future Roundups) may result at the conclusion of Texas 4-H Roundup.
- Abide by the dress and dance philosophies.
- Understand the guidelines and rules for Texas 4-H Roundup are designed to allow participants to have the best possible experience as you serve as positive representatives of the Texas 4-H and Youth Development Program.
- Commit to being an active participant in all activities. This includes contests, workshops, general assemblies, community service activities, and recreation.
- Understand that in attending the event, you can only get what you put into it, and you commit to make the most of the experience at Texas 4-H Roundup.
- Meet friends (new and old), learn new things that will help you be a better leader and role model in your community, and have a great time!

CHAPERONE/ADULT EXPECTATIONS

Your delegation will need one male chaperone for every eight (8) male youth delegates and one female chaperone for every eight (8) female youth delegates. It is the responsibility of the county to arrange chaperones for all youth participants, not the Texas 4-H Youth Development Program.

If you are willing to commit to actively encouraging the development of the youth during Texas 4-H Roundup, you are well on your way to being an excellent chaperone. Being a chaperone is a vital part of making Texas 4-H Roundup a success.

- Chaperones must be over 21 years of age, have been approved as a 4-H volunteer leader through their county Youth Protection Standards program, and be willing to supervise and encourage youth delegates.
- A chaperone’s goal is to supervise and encourage safe and active event participation of all delegates under his/her care.
- Chaperones are responsible for the safety and well-being of the youth delegates in their care from the time they leave the care of their parent/guardian until they return.
- Chaperones need to make themselves available to their youth participants.
• A chaperone should participate in county travel meeting and find time to learn a little about each participant before arriving at Texas 4-H Roundup.
• During Texas 4-H Roundup, chaperones should know the location of each youth under their care at all times.
• Chaperones are expected to lead by example and attend all sessions and planned activities.
• Chaperones must report and correct any wrongdoing among ALL 4-H members, not just members from their county. This is for the safety of all youth and the event.
• Texas 4-H Roundup expects all adults to serve as responsible chaperones and supervise youth. This includes making sure that the Consequences of Misbehavior and Code of Conduct are being followed.
• Download the Health Form for all participants from 4-H CONNECT and maintain with you at all times in case of an emergency. Those registering on-site can complete the Waiver, Indemnification, and Medical Treatment Authorization Form (See Appendix B)
• Complete the Authorization for Dispensing Medication Forms with Completed Record for any youth indicating medication needs on their Medical Form. (See Appendix C)

Chaperones not wishing to accept the responsibility or volunteer their help in making Texas 4-H Roundup a memorable experience for our 4-H members should reconsider attending before registering for Texas 4-H Roundup!

Above all, chaperones need to promote having fun while adhering to the 4-H Code of Conduct, Consequences of Misbehavior, Dress Philosophy, Dance Philosophy and Contest Rules. A chaperone makes an essential contribution to what each delegate gains from Texas 4-H Roundup.

**DRESS CODE PHILOSOPHY**

The primary responsibility for the grooming and appearance of each participant rests with the parents, county Extension agents, and participants. At the same time, it is the professional belief of the Texas 4-H and Youth Development Program that proper dress contributes to good citizenship. It becomes the responsibility of the Texas 4-H Youth Development Program to ensure that each participant’s appearance does not jeopardize the individual’s health and safety, nor that of others, and does not interfere or create disruptions during Texas 4-H Roundup. To ensure that the health standards, safety conditions, and proper educational process are maintained, the following grooming guidelines will apply:

• Clothing: All clothing shall be neat, clean, and acceptable in repair and appearance and shall be worn within the bounds of decency and good taste as appropriate for 4-H events.
• Articles of clothing which display profanity, products, or slogans promoting tobacco, alcohol, drugs, sex or are in any other way distracting, are prohibited.
- Excessively baggy or tight clothing, and clothing which advertises gang symbols or affiliation, is prohibited.
- All participants must wear shoes.
- Items of clothing which expose midriffs, bare chests, undergarments, or that are transparent (see-through) are prohibited. Tank tops with straps wider than two-inches are permitted. Please be advised that spaghetti straps, shirts which expose a bare back, halter tops, and tube tops are prohibited.
- The final decision on appropriateness in any case involving dress code questions rests with a peer review committee composed of three 4-H members and one adult from throughout the state. This committee will be present at select times to ensure that the dress philosophy and the 4-H image are being upheld. This committee will serve at the discretion of the 4-H and Youth Development Program Director and the Texas 4-H Roundup Coordinator.
- Failure to follow the dress code, may lead to being dismissed from the event.

*Exception to the dress code will only be made for the purpose of fashion show and if a certain uniform/prop is needed for a contest. All other times, the dress code will be enforced.*

**DANCE CODE PHILOSOPHY**

Dances at Texas 4-H Roundup are provided for the entertainment and recreation of the registered delegates. In order to continue with this fun and exciting time of networking and meeting new friends across the state, the following guidelines have been established:

- To gain access to the dance, nametags must be worn visibly on the UPPER part of the body. Attendees not having a nametag will be asked to locate it before returning.
- Dance behavior should be appropriate for youth in a public setting.
- Dance behavior will be monitored by the Roundup staff and chaperones. Any behavior deemed inappropriate will earn the 4-H member(s) a warning. If the inappropriate behavior continues, the 4-H member(s) will be asked to leave the dance.
- If a large number of violations occur during the dance, the dance will be terminated and curfew will be called.
- Failure to follow the dance code, may lead to being dismissed from the event.

CAMP & ENRICHMENT PROGRAM
WAIVER, INDEMNIFICATION, AND MEDICAL TREATMENT AUTHORIZATION FORM

1. EXCULPATORY CLAUSE. In consideration for receiving permission for my/my child’s participation in any and all activities of Texas 4-H (herein referred to as “camp”), which is sponsored by Texas A&M AgriLife Extension Service and Texas 4-H Youth Development Program, (herein referred to as “sponsor”), I hereby release, waive, discharge, covenant not to sue, and agree to hold harmless for any and all purposes sponsor, The Texas A&M University System and its members, the Board of Regents for The Texas A&M University System, Texas A&M AgriLife Extension Service, Texas 4-H Youth Development Program, Texas 4-H Inc., Texas 4-H Youth Development Foundation, and their members, officers, servants, agents, volunteers, or employees (herein referred to as RELEASEES or INDEMNITEES) from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney’s fees and expenses, that may be sustained by me/my child while participating in such activity, while traveling to and from the activity, or while on the premises owned or leased by RELEASEES, including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of RELEASEES. I understand this waiver does not apply to injuries caused by intentional or grossly negligent conduct.

2. INDEMNITY CLAUSE. I am fully aware that there are inherent risks to my child, myself, and others involved with this activity, including but not limited to all events and activities, and I choose to voluntarily participate/allow my child to participate in said activity with full knowledge that the activity may be hazardous to me, my child and my property and to the person and property of others. I acknowledge there may be physically strenuous activities. I know of no medical reason why I/my child should not participate. I agree to indemnify and hold harmless INDEMNITEES from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney’s fees and expenses, which may occur to myself, my child, other participants, and thirdpersons as a result of my/my child’s participation in said activity, including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of INDEMNITEES.

3. NO INSURANCE. I understand that RELEASEES may or may not maintain any insurance policy covering any circumstance arising from my/my child’s participation in this activity or any event related to that participation. As such, I am aware that I should review my personal insurance coverage. Organization may not carry general liability insurance to cover claims arising from this activity so it seeks a waiver of claims as additional consideration for the right to participate so organization, can (a) provide the activity at the lowest possible cost to participants; and (b) provide access to a greater number of participants by expending limited resources on program materials rather than on liability insurance.

4. BINDS HEIRS. It is my express intent that this agreement shall bind the members of my family and spouse, if I am alive, and my heirs, assigns and personal representatives, if I am deceased, and shall be governed by the laws of the State of Texas.

5. MEDICAL AUTHORIZATION, INDEMNITY FOR MEDICAL EXPENSES, and WAIVER. I understand RELEASEES cannot be expected to control all of the risks articulated in this form and RELEASEES may need to respond to accidents and potential emergency situations. Therefore, I hereby give my consent for any medical treatment that may be required, as determined by a medical professional at the medical facility, during my/my child’s participation in this activity with the understanding that the cost of any such treatment will be my responsibility. I agree to indemnify and hold harmless INDEMNITEES for any costs incurred to treat me/my child, even if an INDEMNITEE has signed hospital documentation promising to pay for the treatment.
due to my inability to sign the documentation. I further agree to release, waive, discharge, covenant not to sue, and agree to hold harmless for any and all purposes, RELEASEES from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney’s fees and expenses, that may be sustained by me/my child while receiving medical care or in deciding to seek medical care, including while traveling to and from a medical care facility, including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of RELEASEES. I understand this waiver does not apply to injuries caused by intentional or grossly negligent conduct.

6. VOLUNTARY SIGNATURE. In signing this agreement I acknowledge and represent that I have read it, understand it, and sign it voluntarily as my own free act and deed; sponsor has not made and I have not relied on any oral representations, statements, or inducements apart from the terms contained in this agreement. I execute this document for full, adequate and complete consideration fully intending to be bound by the same, now and in the future. I understand I can choose not to sign this document and free myself and my child from its terms and the associated risks of the activity by simply not participating in the activity and choosing some other activity available to me/my child that has a lower level of risk to myself and my child. I further understand this is a voluntary, extracurricular activity. While I understand alternative activities are available to me/my child that do not have the risks associated with this activity I still desire to voluntarily engage/permit my child to engage in this activity.
