

WHO CAN SETUP AN EVENT IN 4HONLINE?

The only allowable events on 4HOnline are state and district events. The event setup instructions are included in the password protected [resource download](#) available online.

CAN A COUNTY EVENT BE SETUP ON 4HONLINE?

County offices cannot setup events in the system.

WILL A COUNTY EVER BE ABLE TO SETUP AN EVENT?

There is not a plan in place to allow for county events.

The State 4-H office does not have way to deposit funds back to the county office. There are no bank accounts setup through the State 4HOnline Business Office and also not a staff to manage county deposits.

The fee options in the events area cannot be turned off to allow for non-fee events.
