

### RETURN TO RECENT PROFILES

Click the Family(F) or Member(M) profile on the right side of the screen under Recent Profiles. If you do not see this side navigation panel, try to zoom out in your browser (ctrl + -).

The screenshot shows the 'Member Search' page. On the left is a navigation menu with options like Home, Settings, Managers, Members, Participation, Registrations, Broadcasts, Animals, Enrollments, Events, and Group Enrollment. The main area contains search filters for Keyword(s), Clubs, Role, Status, Enrollment Start Date, and End Date. On the right, a sidebar shows 'Training Training' and 'Recent Profiles' (highlighted with a red box and arrow). Below 'Recent Profiles' are two entries: 'Smith State Office County' and '00William George State Office County'.
