

- Click the Standard Reports link in the navigation pane on the left side of the screen.
- Scroll down to the ES237 report section and click the name of the report to export.

The screenshot shows the Texas 4-H Online interface. On the left is a navigation pane with a red arrow pointing to the 'Standard Reports' link. The main content area displays a table of reports and two buttons: 'Bulk Downloads' and 'Fair Integrations'.

REPORT NAME	DESCRIPTION
ES-237 - Activity Count <i>Page 5 of ES237 All Report</i>	Count of individuals enrolled in projects and grouped by the designated National Category.
ES-237 - Activity Count - By County <i>Page 5 of ES237 All Report</i>	Count of individuals enrolled in projects and grouped by the designated National Category. If counties are running their own data, they just need to run the report above. This is for district or state logins. This file will break down the state data as an Excel file with a row for each county.
ES-237 - Ethnicity Count <i>Page 1 of All Report</i>	Race and ethnicity counts from enrolled/approved youth.
ES-237 - Ethnicity Count - By County <i>Page 1 of All Report</i>	Race and ethnicity counts from enrolled/approved youth. If counties are running their own data, they just need to run the report above. This is for district or state logins. This file will break down the state data as an Excel file with a row for each county.
ES-237 - Participation Count <i>Page 2 of All Report</i>	Youth participation using delivery mode totals with and without duplicates.
ES-237 - Participation Count - By County <i>Page 2 of All Report</i>	Youth participation using delivery mode totals with and without duplicates. If counties are running their own data, they just need to run the report above. This is for district or state logins. This file will break down the state data as an Excel file with a row for each county.
ES-237 - Volunteer Count <i>Page 3 of All Report</i>	Count of the number of youth and adult volunteers.
ES-237 - Volunteer Count - By County <i>Page 3 of All Report</i>	Count of the number of youth and adult volunteers. If counties are running their own data, they just need to run the report above. This is for district or state logins. This file will break down the state data as an Excel file with a row for each county.
ES-237 Youth Count <i>Page 4 of All Report</i>	Breakdown totals of enrolled youth (unduplicated) by School Grade, Gender, and Place of Residence.
ES-237 Youth Count - By County <i>Page 4 of All Report</i>	Breakdown totals of enrolled youth (unduplicated) by School Grade, Gender, and Place of Residence. If counties are running their own data, they just need to run the report above. This is for district or state logins. This file will break down the state data as an Excel file with a row for each county.
ES-237 (All Reports) - Issues Reported - 22	All pages of the ES237 pages in one file.
ES-237 (All Reports) - By County Issues Reported - 22	All pages of the ES237 pages in one file. This will break down the state data as an Excel file with a row for each county. If counties are running their own data, they just need to run the reports above.
