February: Flag Ceremony

HONOR THE RED, WHITE AND BLUE

The American Flag...the symbol of our Nation is one of the most recognized flags in the world. The flag represents freedom, honor and duty to our Country and is flown as a symbol of pride in our beliefs and privileges as Americans.

There is great symbolism in the colors that were selected for the American flag. The Red Stripes symbolize hardiness and courage: the hardiness of the early pioneers; the courage of the common working man. Through the blood, sweat and tears of the early settlers, our nation came to be a strong presence during a time when there was much turmoil in the world. Honor the color red through your personal commitment to fighting for the rights of all Americans.

The White Stripes signify purity and innocence - the purity of the idealists who believe that each person is a Child of God, and the innocence that strives for his right to be here. Every person comes into this world with pure ideals. Honor the color white by working to stand behind the pure ideals on which our Country was founded.

The Blue Field represents vigilance, perseverance, and justice - the vigilance to protect mans’ freedoms, the perseverance that rejects all defeat, and justice, the goal of free men everywhere. Honor the color blue by committing yourself to being vigilant in defending our freedom, and persevere as you fight for justice on a daily basis.

The Stars Unified on the field of blue embrace the fifty stars as one...unified for the good of mankind and country. The fifty stars represent our fifty states and the unity under which our country is founded. Honor the blue field and fifty stars by standing united as a proud American under our flag.

Red, white and blue...honor her, defend her and celebrate her and the freedom she represents.

February: Inspiration and More

TRUTHS FOR LIVING
By William Arthur Ward

The more generous we are, the more joyous we become.

The more cooperative we are, the more valuable we become.

The more enthusiastic we are, the more productive we become.

The more serving we are, the more prosperous we become.

The more outgoing we are, the more helpful we become.

The more curious we are, the more creative we become.

The more patient we are, the more understanding we become.

Another inspirational quote by Mr. Ward is this:
We must be silent before we can listen.
We must listen before we can learn.
We must learn before we can prepare.
We must prepare before we can serve.
We must serve before we can lead.
**February: Program Idea**

It is time to gear up for 4-H public speaking! At this time in the 4-H year, youth should be preparing their illustrated talks and/or method demonstrations. Allow your 4-H club members to practice their presentation by presenting them at your 4-H club meeting. This is also a great way to get more 4-H members involved in the 4-H public speaking opportunities. Be prepared to distribute information on your County 4-H Roundup contest, including the contest date, entry deadline, and contest categories. The 4-H Public Speaking Guide is also a great tool to provide to your 4-H club members. Note: If you have a large number of 4-H’ers participating in this and wanting to present, you may want to schedule half to present in February and half to present in March.
