Texas A&M System Rule 24.01.06 revised Oct. 2024

Texas A&M AgriLife Extension Rule 24.01.06.X1

Texas A&M AgriLife Extension Service Rules re: 24.01.06.X1

- Program for Minors – which are sponsored by or conducted under the direction of AgriLife Extension – will provide activities in a safe, nurturing environment.

Key Definitions

- Program for Minors – member or third-party programs using AgriLife or non-AgriLife facilities whose participants are minors
- Minor – an individual under the age of 18. Does not include individuals who are currently enrolled or employed at a Texas A&M member institution.

Key Definitions

- Member programs – programs that are sponsored and/or operated by system members where the full supervisory duties of the minor(s) are the system member's responsibility.

Who has care/custody/control of the minor participants? If it's AgriLife, then it is a PFM.

Key Definitions

- Third-party programs – programs of an individual or entity not affiliated with a system member (AgriLife Extension), that uses system property/facilities

Who has care/custody/control of the minor participants? If it is not AgriLife, it is not our PFM.

Key Definitions

- Program Manager – the designated AgriLife Extension employee overseeing the Programs for Minors event/activity/camp/program. This individual is responsible for ensuring that all requirements are met, information is reported in Formsite, and documentation is retained accordingly.
- The event/activity/camp/program should appear in the employee's Plan of Work in the TAMED system.

Key Definitions

- Program for Minors – definition does NOT include programs:
 - where full supervisory duties of the minor(s) are the responsibility of the minor(s) parents or designee, legal guardian, teachers or official chaperones who are not member employees
 - where the minor's involvement is ancillary to the intended purpose of the activity.

ASK – who has care/custody/control?

WAIVER, INDEMNIFICATION, AND MEDICAL TREATMENT AUTHORIZATION FORM

1. EXCULPATORY CLAUSE. In consideration for receiving permission to participate in any and all activities of Texas 4-H ("activity"), which is sponsored by Texas A&M AgriLife Extension Service and Texas 4-H Youth Development Program, ("sponsor"), a member of The Texas A&M University System, I hereby release, waive, covenant not to sue, and agree to hold harmless for any and all purposes sponsor, The Texas A&M University System, the Board of Regents for The Texas A&M University System, and their members, officers, agents, volunteers, or employees ("RELEASEES" or "INDEMNITEES") from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, that may be sustained by me while participating in this activity, while traveling to and from the activity, or while on the premises owned, leased, or controlled by RELEASEES, including injuries sustained as a result of the sole, joint, or concurrent negligence, gross negligence, negligence per se, statutory fault, intentional torts, or strict liability of RELEASEES.
2. INDEMNITY CLAUSE. I am fully aware that there are inherent risks to myself and others involved with this activity, including but not limited to all events and activities, and I choose to voluntarily participate in this activity with full knowledge that the activity may be hazardous to me and my property, and to the person and property of others. I acknowledge there may be physically strenuous activities. I know of no medical reason why I should not participate. I agree to indemnify and hold harmless INDEMNITEES from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, which may occur to myself, other participants, and third-persons as a result of my participation and conduct in this activity, including injuries sustained as a result of the sole, joint, or concurrent negligence, gross negligence, negligence per se, statutory fault, intentional torts, or strict liability of INDEMNITEES.

8. VOLUNTARY SIGNATURE. In signing this agreement I acknowledge and represent that I have read it, understand it, and sign it voluntarily as my own free act and deed; sponsor has not made and I have not relied on any oral representations, statements, or inducements apart from the terms contained in this agreement. I execute this document for full, adequate and complete consideration fully intending to be bound by the same, now and in the future. **For youth engaging in extracurricular activities:** I understand I can choose not to sign this document and free myself from its terms and the associated risks of the activity by simply not participating in the activity and choosing some other activity available to me that has a lower level of risk to me. I further understand this is a voluntary, extracurricular activity.

- During the planning phase for all programs for minors, a risk assessment using the Texas A&M University System Risk Management and Insurance Matrix will be conducted by the program manager or designee to mitigate risks associated with the activities of the event. This assessment should include a review of all activities associated with the event, potential injuries, and consequences.
- File the risk assessment matrix and retain it in accordance with the Records Retention Schedule.

Risk Assessment Matrix

The Texas A&M University System Risk Management and Insurance Matrix

Exposure To Be Reviewed: _____

Instructions: Step 1-List all event activities and be as inclusive as possible. Step 2-Completely identify risks associated with each activity. Step 3- Use the matrix below to assess your activities. Tally the seriousness and probability scores for evaluation. Step 4- Brainstorm methods to manage risks. Reduce the probability of something going wrong. Step 5 - Keep this document in your files for three years. If you have more information to list than space allows on this form, you may attach additional pages. A Word or Excel document is also appropriate.

*Please feel free to contact your District 4-H Specialist for assistance in the risk assessment process and completion of this tool

List of Activities To Occur	Associated Risks*	Seriousness	Probability	Method to Manage Risks**

* Possible risks include: medical emergencies, food poisoning/allergic reactions, damage to member reputation, accidents, injuries, and/or death

**Methods to manage risk may include: arranging for security, traveling with an advisor, rotating drivers, proper facility inspections, waiver forms etc

Seriousness	Probability				Probability
	A	B	C	D	
I - May Result in Death	Red	Red	Red	Yellow	<p>A- Likely to occur immediately or in a short period of time; expected to occur frequently</p> <p>B- Probably will come in time. With enough time and activity; it is likely to occur over the life of the event</p> <p>C- May occur in time. Probability of occurrence is lower and there is an equal chance of it occurring vs. not.</p> <p>D- Unlikely to occur at any point during the event</p> <p><small>Form Updated 03/25/2021</small></p>
II - May cause severe injury, major property damage, significant financial loss, and/or result in negative publicity for the member institution or group.	Red	Yellow	Yellow	Yellow	
III - May cause minor injury, illness, property damage, financial loss and/or result in negative publicity for the member institution or group	Yellow	Yellow	Yellow	Blue	
IV - Hazard presents a minimal threat to safety, health and well-being of participants	Yellow	Yellow	Blue	Blue	

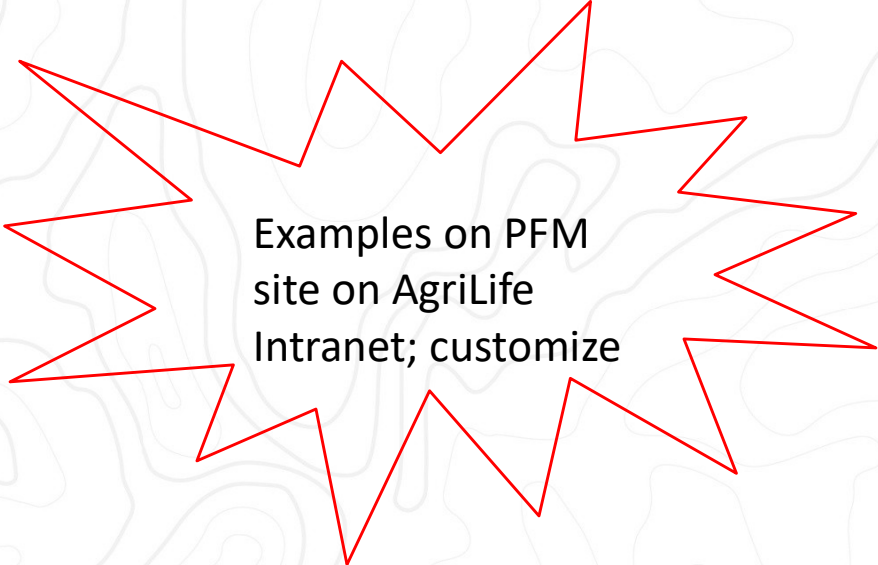

If any activity score is within the red or yellow, System Risk Management highly recommends you forward the Matrix to their attention for further discussion. Although insurance procurement may not be the answer, discussions should occur regarding self-retention so all parties are aware of the risks associated with the activity.
