This agreement is between		in	County, Texas and Texas 4-H, Inc.
Chartered Organization EIN:	Chartered Organization Mailing Addres	Chartering County SS, City & Zip Code:	_

The purpose of the 4-H program is to provide meaningful opportunities for youth and adults to work together in a learn-by-doing program while creating sustainable communities and helping youth become productive members of society. This is accomplished within five primary areas including leadership/citizenship, agriculture & livestock, family & community health, natural resources, and STEM. The educational programs help youth develop inquiring minds, learn practical skills, strengthen decision making abilities, develop youth-adult partnerships, improve communications and interpersonal relationships, and ultimately share their skills and experience in leadership roles. Through hands-on, learn-by-doing activities, youth establish real-life goals and develop important life skills.

The Chartered Organization, as a duly constituted organization under Texas 4-H, Inc. that serves youth and is guided by adult volunteer leaders, wishes to use the program of 4-H and the 4-H name and emblem to further the development of the youth it supports. The club/group provides the support and service it needs to further the mission and purpose of 4-H. 4-H programs, through clubs/groups, are available in every county in Texas. The county 4-H office of the Texas A&M AgriLife Extension Service provides the administration of all 4-H clubs/groups in the county for which they are assigned and responsible.
