

2024-2025 Texas 4-H Chartering Instructions

Chartering 4-H clubs and affiliated groups or granting permission for groups to operate in the name of 4-H, dates back many decades. Texas 4-H began to charter all clubs and affiliated groups in 2003 following a directive from National 4-H Headquarters at USDA. The Texas A&M AgriLife Extension Service is committed to protecting its 4-H program, members, and the 4-H name and emblem in Texas. This protection comes through the commitment and requirement for all county, district, region, and state level 4-H clubs and groups to have current charters and understand the value of those charters.

PURPOSE

Chartering is a legal process which allows faculty to verify the financial status, business and legal documentation for each group operating in the name of 4-H. All Texas 4-H clubs/groups must charter to receive permission to operate and use the name/emblem of 4-H and be recognized as an Internal Revenue Service 501(c)(3) not-for-profit group under the umbrella of Texas 4-H, Inc. A charter allows a group to function with all the rights and privileges of 4-H membership. Once officially chartered, the county office can obtain a letter from 4HOnline with the club's name to validate their charter recognition. If the club/group is its own IRS recognized 501(c)(3) organization, they must file separately with the IRS on an annual basis, but still must be chartered as a Texas 4-H club/group for recognition. Clubs or groups who are not chartered are not allowed to use the 4-H name and emblem and are NOT considered a 501(c)(3) organization, therefore required to pay income tax annually. A chartered 4-H club/group under Texas 4-H, Inc. is provided the following benefits: Use of the 4-H name and emblem, General Liability Insurance for facilities and meetings, Accident/Incident Insurance for ACTIVE 4-H youth and volunteers during 4-H sponsored meetings, activities and contests and IRS recognition as an entity under a 501(c)(3) not-for-profit organization.

GENERAL REQUIREMENTS

All 4-H community, project, and SPIN clubs, or groups must be annually chartered. Examples of groups which must be chartered include, but are not limited to: County 4-H Council, County Volunteer Leaders Association, County 4-H Booster Club, County 4-H Clover Kids groups, County 4-H Ambassador Program, District 4-H Program Development Committee, District 4-H Council, District Volunteer Leaders Association, Texas 4-H Council, Texas 4-H Youth Development Foundation, State and District TAE4HYDP Associations. The club/group must have a name that does not discriminate, offend, or intimidate others from joining, have a minimum of at least one ACTIVE volunteer leader who will serve as a club manager, five or more youth members from at least two different families and commitment from adults/families for the club/group to remain in operation for at least five years. The meeting location, day and time must be made public for others to visit and join.

All administrative clubs such as Adult Leaders, Youth Boards, or 4-H Councils, must be chartered and have an active status (Chartered) in 4HOnline. This will allow County Extension Offices to access chartering information and Texas 4-H, Inc. determination letters.

Groups, or organizations, who wish to use the 4-H name and emblem but are not under the direction of Extension and have an independent board of directors should be issued a memorandum of understanding (MOU) regarding use of the 4-H name and emblem. Some examples of this are stock show boards, other 501(c)(3) 4-H foundations, private foundations, or fundraising groups. The letter would come from the County Extension Agent granting permission to use the name and emblem if their work is in the best interest of the local 4-H program.

A club/group who will not be active due to lack of leadership or membership but would like to retain the EIN must submit an online charter application and request an INACTIVE status. This will allow the club/group to remain under Texas 4-H Inc. for one 4-H year. A club will be permanently removed from Texas 4-H Inc.'s IRS list after one year of being inactive.

DISBANDMENT

In some cases, due to lack of participation, a club or group may need to vote and approve to disband. Once approved, the club manager will work with the County Extension Agent(s) to transition all financial and physical assets as identified in the club/group bylaws. Download the disbandment instructions found on the Texas 4-H Website. (https://texas4-h.tamu.edu/management/)

REVOKING A CHARTER

County Extension Agents may request a 4-H Charter be revoked if clubs are not following Texas A&M AgriLife Extension Service, Texas 4-H, Inc., and/or USDA-NIFA/4-H procedures. Examples include, but are not limited to: club does not meet the minimum number of members requirement or members not enrolled on 4HOnline, no enrolled adult volunteers, not submitting requested paperwork in a timely fashion, lack of financial accountability, and not submitting an IRS 990 for three (3) consecutive years when a club has money, etc. The Texas 4-H Rules and Guidelines provide more information on revoking 4-H club charters.

TEXAS SALES TAX

The use and granting of a 4-H Club/Group 501(c)(3) status through Texas 4-H, Inc. only applies to the exemption of federal income tax and not state sales tax. All Texas 4-H clubs and groups are required by Texas law to pay state sales tax on any purchases of goods, equipment, and supplies. The only exception to this rule is if a 4-H club/group has applied for, and received, a Texas Sales and Use Tax Permit through the Texas Comptroller of Accounts Office in Austin, Texas. Clubs and groups must apply individually. There is not an option to have a group waiver. A 4-H club/group is not allowed to use the County Government or other entities' Texas Sales and Use Tax Permit to purchase goods, equipment, and supplies. If a 4-H club/group has acquired a Texas Sales and Use Tax Permit on its own then the 4-H club/group is legally responsible for filing all required monthly, quarterly, or yearly documentation directly to the Texas Comptroller of Accounts.

FEDERAL INCOME TAX

Except for private foundations, which must file Form 990-PF annually regardless of gross receipts, an exempt organization that normally has \$50,000 or more in gross receipts must file an exempt organization information return Form 990, Return of Organization Exempt from Income Tax, whether the organization has formal tax-exempt status. Most organizations are not required to file a Form 990/ Form 990-EZ or Form 990-PF but are required to submit a Form 990-N, e-Postcard. Download the IRS Filing Instructions for Texas 4-H Club/Groups found on the Texas 4-H Website (http://texas4-h.tamu.edu/management/).

EMPLOYEE IDENTIFICATION NUMBERS (EIN)

Information gathered from IRS publication 1635 (Revised 2-2014): "Understanding Your EIN". An Employer Identification Number (EIN) is a nine-digit number the IRS assigns in the following format: XX-XXXXXXX. It is used to identify the tax accounts of employers and certain others who have no employees. The IRS uses the number to identify taxpayers that are required to file various business tax returns. EINs are used by employers, sole proprietors, corporations, partnerships, non-profit associations, trusts, estates of decedents, government agencies, certain individuals, and other business entities. Clubs should use their assigned EIN on all the items that are sent to the IRS pertaining to the 4-H club/group.

IRC Section 501(c)(3) Organization(4-H): This is an organization is organized and operated exclusively for one or more of the following purposes: charitable, religious, educational, scientific, literary, testing for public safety, fostering national or international amateur sports competition (but only if none of its activities involve providing athletic facilities or equipment), or the prevention of cruelty to animals. Contributions to domestic 501(c)(3) organizations, except organizations testing for public safety, are generally deductible as charitable contributions on the donor's federal income tax return.

GROUP EXEMPTION LETTER

A group exemption letter is a ruling or determination letter issued to a central organization recognizing, on a group basis, the exemption of subordinate organizations on whose behalf the central organization has applied for recognition of exemption. A central organization is an organization that has one or more subordinates under its control. A subordinate organization is a chapter, local, post, or unit of a central organization. For 4-H clubs/groups in Texas ,this Group Exemption Letter is issued to Texas 4-H, Inc., with each 4-H club/group filing under their group exemption number. The group exemption number, or GEN, for Texas 4-H, Inc. is 5932.

EMPLOYEE IDENTIFICATION NUMBER (EIN) RELATED ISSUES

For a lost EIN you can contact the IRS at 1-800-829-4933 during the operation hours of 7 am to 7 pm, Eastern time. You will be asked for identifying information and the number will be provided to you over the phone, if you are the person who is authorized to receive it. Once you receive it, ask if a letter verifying the number can be mailed to the address listed, or change the address to that of the County Extension Office.

Cannot locate the EIN or person who is the contact on EIN: If you know that your club/group has an EIN, but cannot locate the number, the person associated with the EIN, or any other information pertaining to the number, then contact your County Extension Office to determine if you will need to file for a new EIN and to be informed of the steps to take to request a new EIN. When re-filing for a new EIN, list the County Extension Office as the mailing address with the current club manager/treasurer as the contact to prevent future issues.

If a club/group must apply for a new number or contact the IRS, it is a best practice to update the contact with the new club manager/treasurer and list the contact address as the County Extension office so any future correspondence will be sent to the County Extension Office. A sample EIN Verification can be found online at: https://texas4-h.tamu.edu/management.

2024-2025 TEXAS 4-H CHARTER PROCESS

August 15 Charter application is back online for resubmissions. The county office and volunteer leader will word together to create a new application under an active adult profile from this point forward. September 1-February 28 September 15-December 20 Filing of 990 Forms with the IRS by ALL clubs/groups.
