Headphones

Amber is an avid listener of streaming music. She listens to a wide range of genres and switches based on her mood or what she is doing. Sometimes she is in a library, sometimes in a crowd of people, sometimes she's at work monitoring video surveillance screens for long hours. She is always listening to music. She needs a pair of headphones that will match all those situations. She should be able to listen to her music and avoid others hearing it. She should be able to hear what is going on around her at work. They should be able to be used comfortably for long periods of time. Her budget is \$200. She can borrow an extra \$100 from her friend Johnny, but she prefers not to. She wants to get the best pair she can afford for the best price. Which set is best for her?

Item #1

Bose - QuietComfort 45 Wireless Noise Cancelling Over-the-Ear Headphones

Features:

- Acoustic Noise Cancelling
- Aware Mode brings the outside world in with microphones that pick up the sounds around you and play them naturally through the wireless headphones.
- TriPort acoustic architecture vents the earcups to add depth and fullness without increasing their size. Adjustable EQ or select one of several preset options.
- QuietComfort 45 over-ear headphones give you more play time than their predecessor, with a 24-hour long battery life on a single charge.* via USB-C in up to 2.5 hours. Quick, 15-minute charge gives you up to 3 hours of play time.
- The improved voice pickup of QC45 Bluetooth headphones exceeds the competition. With the addition of a fourth external microphone, the headphones better focus on your voice. Plus, a noise-rejecting algorithm filters out environmental sounds for clearer conversations.
- The Bose Music app making it easy to get started. Plus, access all noise cancellation settings, manage your Bluetooth connections, enable a shortcut, and more.
- Updated design features smooth, pleatless cushions and earcup caps. Synthetic leather, impact-resistant nylon, and custom cast-metal hinges

Price: \$279.00 (was ~~\$329.00~~)

Beats by Dr. Dre - Beats Studio³ Wireless Noise Cancelling Headphones

Description:

- Beats Studio³ Wireless headphones deliver a premium listening experience with Pure Adaptive Noise Cancelling (Pure ANC) to actively block external noise, and real-time audio calibration to preserve clarity, range, and emotion. It continuously pinpoints sounds to block while automatically responding to individual fit and music playback. The efficiency of the Apple W1 chip supports up to 22 hours of battery life with Pure ANC on, and Pure ANC off for low-power mode provides up to 40 hours of playback.

Features:

- Pure Adaptive Noise Cancelling (Pure ANC) actively blocks external noise
- Real-time audio calibration preserves a premium listening experience
- Up to 22 hours of battery life enables full-featured all-day wireless playback
- Apple W1 chip for Class 1 Wireless Bluetooth® connectivity and battery efficiency
- With fast fuel, a 10-minute charge gives three hours of play when the battery is low
- Pure ANC off for low-power mode provides up to 40 hours of battery life
- Take calls, control music, and activate Siri with multifunction on-ear controls
- Soft over-ear cushions for extended comfort and added noise isolation

Price: \$199.00 (was \$349.00)

Item #3

Sony - WH-1000XM4 Wireless Noise-Cancelling Over-the-Ear Headphones

Description:

Sony's intelligent noise-cancelling headphones with premium sound elevate your listening experience with the ability to personalize and control everything you hear. Get up to 30 hours of battery life with quick charging capabilities, enjoy an enhanced Smart Listening feature set, and carry conversations hands-free with speak-to-chat.

Features:

- Noise-canceling with Dual Noise Sensor
- Up to 30-hour battery life with quick charging (10-minute charge for 5 hours of playback)
- Premium sound quality by DSEE Extreme technology
- Touch sensor controls to pause, play, skip tracks, control volume, activate your voice assistant, and answer phone calls
- As soon as you speak to someone, Speak-to-Chat automatically stops the music and lets in ambient sound so you can conduct a conversation.
- WH-1000XM4 headphones can be paired with two Bluetooth devices at the same time.
- Adaptive Sound Control - automatically detects what you're up to – for example, walking, waiting, or traveling – then adjusts ambient sound settings to best suit the situation.
- Clear hands-free calling - Superior call quality with precise voice pick up combines five built-in microphones with advanced audio signal for clear calls
- Wearing Detection - A proximity sensor in the earcups can detect whether or not you're wearing your headphones, pausing your content when you remove your headphones from your head and resuming playback when you put them back on.
- Updated design relieves pressure for long-lasting comfort

Price: \$278.00 (was \$349.00)

Backpacks

Jason is going camping and needs a backpack that will replace the one that he lost last year. He is going on a trip that will last 4 to 5 nights depending on how bad the mosquitos get. It has been raining in the area and the warm weather makes has really added to the number of mosquitos out there. It will likely rain on the trip and he needs to keep his gear as dry as possible. The long hikes mean that he wants to travel light and stay hydrated. The ability to use his hydration bag & tube are important to staying on the trail. The pack should have all the necessary straps to secure the pack, especially because he will be on steep climbs and balance is important. He has a budget of \$350 but wants to make the best purchase.

Item #1

Osprey Atmos AG 65

Features:

- **Weight:** 4 lbs. 9.8 oz.
- **Fabric:** Nylon (210D x 500D)
- **Capacity:** 65L
- Fabric is made with 100% recycled materials
- PFC/PFAS-free durable water repellent (DWR) finish helps moisture bead up on the surface
- AntiGravity suspension delivers an incredible fit that seamlessly envelops your back and hips in 3D-suspended mesh
- Adjustable shoulder harness, straps and hipbelt let you get the perfect fit
- Stow-on-the-Go trekking pole attachment lets you quickly stow your poles whenever you need your hands free; sternum strap features an integrated safety whistle
- 2 zippered hipbelt pockets keep essentials handy
- Internal hydration sleeve with center-back hose exit port stores your water reservoir (reservoir not included)
- Curved zip access on each side panel and a zippered sleeping bag compartment let you quickly get into the pack without removing the lid
- Removable internal sleeping bag divider helps you organize your pack
- Floating top lid with lash points can be removed
- Fabric-reinforced front shove-it pocket stashes rainwear or other gear you need throughout the day

Price: \$300

Item #2

Hyperlite Mountain Gear 3400 Southwest

Features:

- **Weight:** 2 lbs. 0.6 oz.
- **Fabric:** Dyneema (50D & 150D)
- **Capacity:** 55L
- Superlight, robust main compartment is made with 100% waterproof Dyneema® composite fabric; white colorway is made with 50-denier Dyneema for a slightly lower pack weight
- Black colorway is constructed with 150-denier Dyneema, which is more tightly woven for increased durability with a marginal increase in pack weight
- 3,400 cu. in. (55L) volume is ideal for weekend, section or thru-hikes where resupply points are less frequent, or for trips requiring flexibility
- The top can roll down to make the overall size of the pack similar to the 2400, but that additional pack space can come in handy when you need it
- 3 external, solid Hardline with Dyneema pockets add an extra line of defense around the gear you'll want to quickly reach at any time without having to open your whole pack
- Removable, contoured aluminum stays
- Hardline with Dyneema shoulder straps with 3/8 in. closed cell foam and spacer mesh; 1/4 in. foam back panel pad
- Roll-top closure system with side straps for vertical compression; side compression straps for horizontal compression
- Top Y-strap compression is designed to secure gear
- Hardline with Dyneema hipbelt with 1/8 in. closed-cell rigid foam; zippered pockets on hipbelt with #5 YKK zipper
- Adjustable sternum strap with self-tensioning elastic

Price: \$350

Item #3

Gregory Baltoro 75

Features:

- **Weight: 4 lbs. 15.7 oz.**
- **Fabric: Nylon (210D & 420D)**
- **Capacity: 75L**
- FreeFloat A3 dynamic carry system allows the hipbelt, shoulder harness and lower back panel to adapt and conform to your body's unique shape
- Patented FreeFloat hipbelt system and auto-rotating shoulder straps move and flex with your body's natural walking movements, delivering unrivaled comfort
- 3 adjustable torso sizes with overlapping fit ranges allow you to size up or down to best suit your body shape; hipbelt padding is also fully adjustable for all-day comfort
- AirCushion back panel is made from a proprietary 3D mesh that's over 90% open air, providing true on-the-back breathability, eliminating pressure points and wicking moisture
- 3D shoulder harness and hipbelt construction eliminates wrinkling and hot spots to provide body-hugging comfort
- All suspension components are treated with Polygiene® Stays Fresh Technology, an odor-control fabric treatment that inhibits the growth of odor-causing bacteria
- Auto-rotating, dual-density shoulder harness with sternum strap featuring integrated safety whistle and hydration clip
- ComfortGrip lumbar pad helps prevent pack slip and keeps the pack positioned high on your hips without the need to overtighten the hipbelt
- Perimeter alloy frame and fiberglass anti-barreling cross-stay for stable load management

Price: \$345

Item #4

Osprey Rook 65

Features:

- **Weight: 3 lbs. 8.3 oz.**
- **Fabric: Nylon (600D & 1000D)**
- **Capacity: 65L**
- Highly ventilated and comfortable AirSpeed backpanel with intuitive torso adjustment system
- Fixed top lid with zippered pocket
- Osprey Daylite compatible with front panel cord loop attachment points
- Dual upper and lower side compression straps
- Zippered sleeping bag compartment with floating divider
- Removable sleeping pad straps
- Dual mesh side pockets
- Zippered hipbelt pockets
- Integrated removable raincover
- Internal hydration sleeve
- There are also loops to anchor an optional Osprey Daylite® daypack if you would like the convenience of a small satellite pack for short forays.
- 4 mm LightWire peripheral frame effectively transfers the load from harness to hipbelt
- 3D-tensioned breathable mesh backpanel with side ventilation
- Soft edgeless padded mesh harness slides over the AirSpeed suspension offering over 4" of adjustability to ensure excellent fit
- Adjustable sternum strap with rescue whistle

Price: \$165

Outdoor Equipment - Tents

Morgan and her three BFFs are planning to spend a few nights at a KOA campground in a tent. They will be camping near their car and likely spending a lot of time in the tent telling stories, talking, playing games and just being together. When the weather is good, they will likely take short walks on the many trails but will not have to move the tent. It rains several times a day but they just want to be together and have fun, even if that means staying in the tent. Which tent gives them the best value for their purchase and meets their needs for this trip. They really don't have a budget limit. They just want a tent that will work great.

Item #1

The North Face Wawona 6

Features:

- **Floor area: 86.1 sq. ft.**
- **Peak height: 80 in.**
- **Capacity: 6P**
- **Weight: 20 lbs. 15 oz.**
- In addition to new double-wall construction, this updated version also features re-engineered poles and simplified setup
- Made without flame-retardant coatings
- Hybrid double-wall construction and a large mesh front door offer superior ventilation
- Massive interior height lets you stand comfortably or sit in chairs inside the tent and vestibule
- Large vestibule can be used to store gear or as an additional seating area
- DAC MX poleset is stronger without any weight penalty
- Color-coded poles and trims make setup simple
- Internal organization pockets keep essentials at hand
- Ceiling pockets hold your headlamps, lights, tablets, etc.
- External guylines provide extra security in inclement weather

Price: \$475

Item #2

REI Co-op Base Camp 6

Features:

- **Floor area: 84 sq. ft.**
- **Peak height: 74 in.**
- **Capacity: 6P**
- **Weight: 20 lbs. 10 oz.**
- Dome architecture is designed to be highly stable while maximizing interior livability
- Wide-mouth door orientation gives all sleepers equal access to the 2 doors—no need to crawl over a tent mate to get in and out
- Large doors have solid fabric for privacy and mesh for ventilation; doors tuck into roof pockets
- 2 roof vents plus low side vent create "chimney effect" ventilation, helping control condensation; zippered access allows campers to adjust the vents from inside the tent
- Color coding on poles and sleeves for simple setup
- Large pole-supported vestibule and a smaller stake-out vestibule provide covered storage front and rear
- Coated 150-denier polyester floor is abrasion- and puncture-resistant
- Full-coverage polyester rainfly is resistant to stretching and UV rays
- Multiple pockets and hang loops help organize gear and essentials inside the tent
- Reflective trims and detailing help you see your tent at night
- Includes a heavy-duty storage sack with shoulder sling, stakes, guylines

Price: \$549

Item #3

Coleman Skydome 6P

Features:

- **Floor area: 85 sq. ft.**
- **Peak height: 72 in.**
- **Capacity: 6P**
- **Weight: 19 lbs. 5.4 oz.**
- Nylon
- Imported
- **QUICK PITCH:** Sets up in under 5 minutes thanks to pre-attached poles
- **MORE HEADROOM:** 20% more headroom than traditional Coleman dome tents thanks to nearly vertical walls
- **WEATHER PROTECTION:** WeatherTec system's tub-like floor, patented welded corners, and inverted seams help keep water out; strong frame withstands up to 35 mph winds
- **WIDER DOOR:** Makes it easier to move air beds, sleeping bags, and other gear in and out of the tent
- **ROOMY INTERIOR & EXTRA STORAGE:** 7 x 5 ft. with 4 ft. center height; fits 1 queen-size air bed; mesh storage pockets and a gear loft keep small items organized
- **COMPACT SIZE:** Great for car camping or backpacking and includes a convenient carry bag

Price: \$149

Item #4

Marmot Tungsten 4P

Features:

- **Floor area: 52.7 sq. ft.**
- **Peak height: 52 in.**
- **Capacity: 4P**
- **Weight: 9 lbs. 3.8 oz.**
- Free-standing design with two D-shaped doors and two vestibules for gear storage
- 2 D-shaped doors mean you don't have to climb over your partner for midnight bathroom trips
- 2 big vestibules provide a sheltered space to store your pack or shoes
- Seam-taped, full-coverage fly for rain protection
- Solution-dye fabric reduces water consumption during manufacturing and resists UV fading
- Lampshade pocket securely holds your headlamp (not included) to provide ambient light
- Seam-taped, catenary-cut floor helps keep out water
- Interior pockets for small gear organization
- Color-coded "easy pitch" clips, poles and fly make it easy to put up the tent quickly

Price: \$399

When the weather is good, they will likely take short walks on the many trails but will not have to move the tent. It rains several times a day but they just want to be together and have fun, even if that means staying in the tent. Which tent gives them the best value for their purchase and meets their needs for this trip. They really don't have a budget limit. They just want a tent that will work great.

Mystery Class – Job Offers

Eric recently graduated with a master's degree in Accounting and passed the Certified Public Accountant (CPA) exam from the Texas State Board of Public Accountancy. He and his wife need to relocate to the Dallas/Ft. Worth area for family and medical reasons. Eric has 4 similar job offers from 4 different accounting firms. All four firms are highly ranked firms with outstanding client ratings.

Eric, who is 35, has health issues that require routine medical checkups at a clinic in Dallas and 3 daily prescription medications. He and his wife are expecting their 3rd child in 2 months. After the baby is born, his wife plans to be a stay-at-home mom.

Planning for their retirement is important to Eric and his wife.

Which job offer do you recommend Eric to accept?
