

4-H Fashion Show – Buying Possible Interview Questions

Project Activities

- What specific tasks or projects did you complete this year in your Fashion and Interior Design work?
- What did you aim to achieve with your project work this year?
- Describe how your project goals guided your project work.
- Did you participate in any community service activities related to your project? If so, how did they align with your work?
- What fashion and interior design leadership roles or activities did you take on? Which one was your favorite and why?

Outfit Selection

- Tell me how you went about selecting this outfit.
- What considerations did you use when you selected this outfit? (fiber, fabric, design, construction)
- How does this outfit meet your clothing needs?
- How does this garment or do these pieces fit into your current wardrobe?
- Explain how and why the style of this outfit is appropriate for your figure type.
- How did fit play into this purchase? Were any alterations needed?

Knowledge of Fiber and Fabric Characteristics

- Are the fibers in your garment natural or man-made?
- What is the fiber content of your garment? Tell me two qualities of each fiber.
- How will you care for this garment? Is there any additional cost to consider when caring for this garment?
- Why is this fabric a good choice for your garment? Describe fabric characteristics that make it suitable for the intended use of the garment.

Consumer Buying Skills

- What information do the garment's hangtags give you?
- Why did you select the particular style, color(s), and/or fabric(s)?
- Do you have a clothing budget? If so, who determines the budget amount?
- As you selected the pieces for this outfit, what did you learn about price and quality?
- In your comparison shopping, what did you consider the most important thing to look for?
- What is your "cost per wearing"?
