

TEXAS 4-H DIGITAL STORYBOARD CONTEST

2024 Rules, Procedures and Uploading Instructions

Purpose	<p>The purpose of the Storyboard contest is to give 4-H members an opportunity to create a storyboard to showcase their original design. It also provides the members an opportunity to gain knowledge of the career responsibilities of a designer and illustrator, enhance creativity and originality, and develop visual communication skills.</p>
Design Brief “Dream”	<p>“Dream” serves as the ultimate source of inspiration for this fashion concept. The concept revolves around the multifaceted nature of dreams, whether they are the surreal visions that captivate a sleeping mind or the vivid aspirations that fuel the conscious soul. The fashion narrative will blur the lines between reality and reverie, creating a visual story that celebrates the ethereal and the tangible. This concept invites designers to translate the essence of dreams into fashion, evoking a sense of wonder, mystery, and endless possibility.</p>
