

# Program Overview

## ***Why the need?***

Youth leadership development at the county level is currently delivered 254 different ways. Some counties conduct thorough training while others may not even have an active County 4-H Council because they only have one 4-H club or have been unable to develop a structure that works effectively. Counties have limited resources available to help them train their County 4-H Council Teams. If you break down the fundamentals of a structured meeting (ie. 4-H club meeting), there are several reasons that it is important for youth to understand basic proper parliamentary procedure and leadership techniques. A structure to make fair decisions, keeping a meeting to a timely schedule, allowing each voice to be heard, and a basis of fun are all important factors that are made possible through this program.

## ***Costs to implement and ideas for funding:***

There is little cost to implement the program. Most resources can be printed for free online. Civic organizations (ie. Lions, Rotary, and Toastmaster Clubs) might be potential sponsors for any necessary cost at the local level.
