The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.
WHAT is Texas 4-H?

Texas 4-H is a club for kids and teens to develop life skills, make friends, learn about the world around them, and have fun! Youth join a 4-H club and participate in a project of their choice while they make friends, learn together, and serve their community!

WHY should youth join?

As the largest youth development program in the nation, Texas 4-H impacts more than 550,000 youth each year. 4-H youth are...

- 4x more likely to contribute to their communities
- 2x more likely to participate in science programs outside of school
- 2x more likely to make healthier choices

THE BIG 5

Texas 4-H has 5 main project areas. Youth can put their knowledge to the test at the county, district, state, and national levels!

- Family & Community Health
- STEM
- Leadership & Citizenship
- Natural Resources
- Agriculture & Livestock

WHERE is 4-H?

From the High Plains to the Rio Grande Valley... county livestock barns, school classrooms and more... 4-H is all around and there is a 4-H club near you!

HOW do I sign up?

To sign up, contact your local County Extension Office! Find your county office at texas4-h.tamu.edu and click on “County Offices”.
