

Texas State 4-H Horse Show

Sponsorship Request

Dear Sponsor:

The Texas State 4-H Horse Show has been showcasing young horsemen's talent and hard work since 1963. Each year in July, over 350 4-H'ers and their families come together from across Texas for a week long horse show of fun, competition, and comradery. This past year marked the loss of a man who was instrumental in the success of this show for many years. **Dr. Doug Householder was an Extension Horse Specialist, instructor, horseman and friend to many in our industry, and it is our honor to dedicate the 2022 Texas State 4-H Horse Show in his memory.**

The Texas State 4-H Horse Show is constantly evolving to remain current and continue to provide memorable experiences for youth. The new Texas 4-H Homes for Horses program will be in the spotlight at the show this year. This phenomenal program matches unwanted or at-risk horses with a Texas 4-H'er for the project year. At the State Show, the public will get to witness the transformation these horses have made and they will have the opportunity to adopt project horses.

We continue to develop the show as a competition but also as an educational event. During the show, clinicians, industry professionals, and veterinarians present clinics to help exhibitors improve in their performance and learn how to keep their equine partners healthy. The Saddle Up for College Event brings colleges from across the state to speak to our exhibitors about equine collegiate opportunities and future careers. Youth are the future of the equine industry and what better way to grow that future than through 4-H!

We need sponsors like you to help support this effort to ensure the growth of this great show and afford this opportunity to Texas youth for years to come. We greatly appreciate your generosity and would like to offer some recognition for you as well. Please see the attached letter about what the Texas State 4-H Horse Show can offer you in exchange for your support.

Thank you for considering our request,
Show Management
