

2024-2025 TEXAS 4-H RULES & GUIDELINES

TEXAS A&M
AGRI LIFE
EXTENSION

DISCLAIMER

The provisions contained in these rules and guidelines do not constitute a contract, express or implied, between youth participants, volunteers, and other adults involved in this program and the United States Department of Agriculture, the Texas A&M AgriLife Extension Service, the county governments of the State of Texas, or the Texas 4-H Youth Development Program (4-H Program.) The Texas A&M AgriLife Extension Service reserves the right to change or alter any provision herein without prior notice.

Nothing in these rules and guidelines should be interpreted as creating a constitutionally (state or federal) protected property or liberty interest to participate in the Texas 4-H Youth Development Program unless one already exists at law. 4-H is an extracurricular activity that is a privilege, not a right; participation is contingent upon eligibility for membership, compliance with program rules, and adherence to the Texas A&M AgriLife Extension Service directives. The descriptions of disciplinary procedures set forth in this document are guidelines. The failure of the Texas A&M AgriLife Extension Service to strictly adhere to a particular process should not be a basis for overturning the disciplinary action imposed.

The use of the terms "rules and guidelines" in the title of this publication intends to convey that some requirements are mandatory (rules), while others are permissive/discretionary (guidelines).

MEMBERSHIP AND ENROLLMENT

The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.

4H MEMBERS

1. Age Requirements

- Youth may participate in 4-H year from September 1st of grade three through August 31st following completion of grade twelve, with these age restrictions:
 - Minimum age - 8 (as of September 1, 2024 in addition to being in the 3rd grade)
 - Maximum age - 18 (as of September 1, 2024)
- Youth must be officially enrolled in school.
- Special education youth who are older than 19 and have not graduated from high school may participate in 4-H Youth Development programs as members, with approval by the county Extension agent. Participation is limited to the club or county level. County Extension staff have the option, on a case-by-case basis, to allow Special Education youth older than 19 to participate in competitive events at the club or county level.

2. Texas 4-H Member Categories and Standard Age Ranges:

- Junior Grades 3, 4, and 5 - ages 8-10
- Intermediate Grades 6, 7, and 8 - ages 11-13
- Senior Grades 9, 10, 11, and 12 - ages 14-18

3. Membership Status. A youth applies for 4-H membership when he/she either completes and submits an individual paper enrollment form, or individual on-line registration via 4HOnline and pays participation fee. Membership is not active until an applicant's registration is entered into 4HOnline and approved by the County Office. A youth participates in 4-H by belonging to a chartered 4-H club or county program or any recognized unit of membership in the county where he/she resides. *Membership cannot be held simultaneously in more than one county or state, but membership may change with residence, as long as the member participates in a given project in only one county or state.

4. Cross County Participation. A youth is required to participate in the county 4-H Program of his/her physical residence or in the county where he/she attends school. If, for some circumstance, a youth needs to participate in an adjacent county, the family must submit a "Membership Transfer Form" to the County Extension Office where they wish to participate in 4-H. The form must be submitted a minimum of thirty (30) days prior to membership transfer.

5. Involvement in other County 4-H Programs. 4-H members must represent the county in which they are enrolled and approved for all 4-H competitions, events, and activities.

6. Active Membership. Once a membership is approved in a county it cannot be moved or transferred to another county until the following year unless approval is given by the Director of the Texas 4-H Youth Development Program and there is an agreement among both County Extension Agents. Refer to #4 - Cross County Participation for more information on this process.

7. Other Membership Requirements

- Each young person wishing to be part of a 4-H club is required to pay a participation fee before being granted membership status. Participation fees will be assessed at \$25.00 for those enrolling between September 1, 2024 (or when the new enrollment period begins) to October 31, 2024. Beginning on November 1, 2024 and for the continuation of the 4-H year, the participation fee will be \$30.00. Refunds will not be given for 4-H participation fees.
- Each member must be enrolled in at least one 4-H project.
- Marriage and parenthood are not barriers to 4-H membership, provided other requirements are met.
- A youth who is accepted as a 4-H member through 4HOnline is entitled to all the rights and privileges of membership in connection with 4-H. Specific events and activities may require that rules be established beyond being a 4-H member. When this is the case, the responsibility for establishing and monitoring such rules rests with the organizational leadership in charge of the event or activity. Such rules, once made, should be made known to all 4-H members and their families. The rules must not violate the rights or discriminate against any protected class of individuals and should be so stated as to be inclusive in nature.
- When a youth becomes an active member in the Texas 4-H Youth Development Program he/she cannot hold membership and/or participate in another state's 4-H Program.

CLOVER KIDS

In support of the youth development mission of 4-H, the purpose of the 4-H Clover Kids Program is to help youth learn social skills, reinforce formal school programs through informal, noncompetitive experiential educational projects and activities, develop self-esteem and build family strengths. NEW: The annual participation fee for Clover Kids is \$10 per child, annually. The following rules and guidelines are based on youth development research indicating competitive events and competitive judging are inappropriate for Clover Kid aged youth.

1. Age Requirements

- The Texas A&M AgriLife Extension Service extends a limited version of the 4-H experience to youth in grades K-2 as “4-H Clover Kids.” This age category is further defined as youth who are a minimum of five years old AND eligible to enroll in Kindergarten on September 1 of the current year and have not entered (started classes) the third grade on September 1.
- Clover Kids are not eligible to serve as club officers, nor are they eligible to participate in activities, recognition programs, or competitive events reserved for older youth.

2. Enrollment

- A school, day care center, community center, neighborhood, or group may sponsor and organize a 4-H Clover Kids group, with the aid of volunteers trained by the county Extension staff or their designees.
- Each 4-H Clover Kids member may participate only through organized learning groups under the guidance of qualified and trained volunteer 4-H leaders.
- Members can be enrolled on 4HOnline using individual or group enrollment forms.

3. Approved Projects and Recognition

- Emphasis is on providing project-related learning experiences and forms of recognition which are age appropriate and based on current youth development research. The individual project is the basis for a significant part of the education in 4-H. Projects and curricula approved by the Texas A&M AgriLife Extension Service for Clover Kids include:
 - Curricula
 - Hatching In The Classroom
 - Yea 4-H!
 - Junior Master Gardener
 - Projects

- Projects for Clover Kids ARE NOT to be entered into competition.
- Projects are not eligible to be entered into competition in traditional 4-H program events and activities reserved for the 3rd grade to the 12th grade group.
- Projects may be exhibited at an appropriate Extension approved non-competitive 4-H Clover Kids event.
- In presentations and exhibits, Clover Kids will be presented participation awards only, with recognition based upon completing and exhibiting the product or skill. No judging or placing shall be permitted.

4-H ENROLLMENT YEAR

The 4-H year runs from September 1 to August 31. County Extension Staff are expected to keep a record of all 4-H members and volunteers enrolled through 4HOnline. Under special conditions, a youth may be required to change his/her county of residence frequently. In such cases, county Extension Staff are encouraged to help members remain actively involved. 4-H members transferring from one county to another should be accepted by that county and given full credit for their past 4-H work and achievements.

County Extension Agents have specific procedures for terminating or disbanding a 4-H club.

SECTION 3

SCHOOL ABSENCES AND PARTICIPATION IN 4-H COMPETITIVE ACTIVITIES

4-H has been recognized by the Texas Education Agency as a legitimate school-related extracurricular organization. 4-H members may apply for excused absences in order to participate in 4-H activities. It is the responsibility of the local school district to determine whether or not any student is eligible and may be excused from classes to participate in any extracurricular event or activity. 4-H members are not automatically excused upon request but are subject to all regulations of the Texas Education Agency and their local school district as they may apply to extracurricular participation.

Specifics related to eligibility during Fall/Spring breaks, summer vacation, and holidays can be found on the University Interscholastic League (UIL) website at: <https://www.uil-texas.org/policy/tea-uil-side-by-side>.

All 4-H youth, including youth in public, private, or home school must adhere to the following guidelines regarding competitive activities:

A. Complete a "Declaration of Eligibility Form" available on the Texas 4-H Website (<https://texas4-h.tamu.edu/management/>) with appropriate signatures as indicated on the form.

OR

B. Name of 4-H member must appear on a list of eligible students to participate in a specific extracurricular activity signed by the school principal or designee. Recommended procedures to obtain this list are:

a. At least thirty (30) days* in advance of each 4-H event, agents should submit a written request to the appropriate school administrator providing the following information:

- i. Name(s) of 4-H member(s) involved

- iii. Date(s) of extracurricular activity
- iv. Name and time of event in which 4-H member(s) will participate
- v. The educational significance of the event
- vi. Name of adult chaperone(s)

Academic eligibility is requested for extracurricular activities and is approved or declined by the member's school. In addition to following this UIL rule, the Texas 4-H Youth Development Program has adopted a school change policy to stay consistent across educational systems. If a youth has a change in school status from public to private or home school, the member must adhere to a three (3) school-week waiting period before he/she is eligible for participating in extracurricular activities.

*At the beginning of each school year, Extension agents should meet with school officials to determine the preferred steps for securing excused absences and permission for 4-H members to participate in 4-H activities.

SECTION 4

SUSPENSION OF PARTICIPATION/REMOVAL OF 4-H MEMBERS

4-H members are expected to maintain a high standard of socially appropriate behavior which corresponds to the expectations outlined in the Consequences of Misbehavior.

Appropriate Behavior

Texas A&M AgriLife Extension Service supports moral and ethical behavior on the part of its faculty and staff, and all 4-H program participants, parents, and youth/adult volunteers. Fairness, honesty and good sportsmanship are expected and encouraged. Fraudulent, illegal, or deceptive practices in exhibiting individual projects and in the demonstration of knowledge and skills will not be tolerated. The agency reserves the right to impose stricter behavior expectations on members participating in projects that inherently pose a greater threat to the individual safety of participants.

Texas 4-H/FFA Livestock Exhibition and Show Ethics

In the event an individual loses his/her eligibility to participate in a competitive extracurricular event/activity due to an illegal, unethical and/or other rule violation, the individual will not be eligible to participate in the said competitive extracurricular event/activity by joining 4-H. This ethics policy is posted on the Texas 4-H Website at:

<http://texasyouthlivestock.com>. Violation of this policy may result in a member being removed from the 4-H program or not being permitted to enter stock shows through their 4-H membership. The full Livestock Program Ethics Policy <https://texasyouthlivestock.com/wp-content/uploads/2021/12/2022-2023-Ethics-Policy-Final-2.pdf>.

All youth must abide by Texas Education Agency's Extra-Curricular Education Guidelines

Suspension of participation/removal of 4-H member from program

The Texas 4-H Youth Development Program has the right to act in the best interest of all youth in the program by possibly removing a 4-H member from participation who has acted in a manner considered by 4-H leadership as being harmful or potentially harmful to the health or well-being of themselves or others, whether such act occurred within, or outside of, the 4-H program

Extension staff members have discretion to assign offense degrees to particular conduct given the case-specific facts and circumstances related to a particular incident.

At a minimum, for any offense, the 4-H member will:

- For most minor offenses, a 4-H member will receive a verbal reprimand unless the behavior is a chronic issue, which may require additional documentation and response.

- 4-H member may be asked to resign from all 4-H offices and/or leadership roles held as well as be required to give up monetary awards or scholarships from the Texas 4-H program.

1. Inappropriate visitation.
2. Leaving a 4-H activity without the permission of staff member(s) in charge.

Major Offenses Consequences:

- Removal from event/activity and/or sending a participant home at the parent's/guardian's expense.

- 4-H member may be asked to resign from all 4-H offices and/or leadership roles held as well as be required to give up monetary awards or scholarships from the Texas 4-H program.
- May lead to termination of 4-H membership.
- May result in notification of incident to legal authorities.
- May result in disqualification of all state validated animal projects.

If the offense is severe enough to possibly send the member home, the event manager should follow these steps unless they are impractical given the particular circumstances of the incident:

- Extension employee obtains all the relevant facts.
- Brief the on-site adult responsible for the youth delegate (Extension employee or 4-H volunteer).
- If not on-site, but available via phone, brief the county Extension employee and District Extension Administrator responsible.

The following steps should be taken when sending a 4-H member home:

- Extension personnel/event manager contacts parents.
- Advise parents that child is being sent home by safest, most direct means, and that parents are responsible for associated costs.
- Extension personnel/event manager decides if parents should be given the option of picking up the child.

- Follow-up correspondence from Extension employee/event manager to appropriate County Agent, District 4-H Leadership Team (District 4-H Specialist and District Extension Administrator), child and parent for documentation.
- For all intermediate and major offense reprimands and depending on the severity and/or frequency of minor offenses, a Summary Letter and Accident/Incident Report Form will be completed and mailed to the 4-H member, parent, County Extension Agent(s), District Extension Administrator, County Extension Director (if applicable), 4-H Specialist, and Texas 4-H Program Director.

Additionally, behavior that is disruptive of the Texas 4-H Program and/or unbecoming of a youth's role as a member/leader within the program will be documented and a letter describing such will be sent to the District 4-H Leadership Team (District 4-H Specialist and District Extension Administrator), County Extension Agent(s) and parents/guardians of those involved.

Disciplinary Action Disclosure

Disciplinary action will be kept confidential among the youth's family and Extension faculty to the extent permitted by Texas law. Volunteers in a management role will be informed of action on a "need-to-know" basis to be determined by Extension on a case-by-case basis. Extension reserves the right to provide discipline-related information to volunteers, parents, and youth members in those rare cases where Extension believes, in its sole discretion, it is necessary to protect the health and well-being of 4-H Program participants or other living creatures.

Outstanding Debt to 4-H

4-H members and adults who have registered in any 4-H event are responsible for making payment for any completed/accepted registration (this includes 4HOnline on-line registration, paper registration and participation and application fees). Failure of a 4-H member or adult to make payment may result in the person not being allowed to participate in the event, any future events, and/or the ability to register for an event. Non-payment can also include insufficient fund checks, other returned checks, and/or any associated fees. Failure to make payment can also result in legal actions.

SECTION 5

MEDICAL INFORMATION FOR 4-H ACTIVITIES

Waiver, Indemnification, and Authorization for Medical Care

The Waiver, Indemnification, and Authorization for Medical Care form is required for each event. Youth and volunteers can choose to complete this form at the time of enrollment and this form can be used throughout the year for all events and activities. This form is available for completion through the enrollment process in 4HOnline or can be downloaded from the Texas 4-H website.

Notifying Event Management Regarding Illness, Medications, and Allergies

4-H members and/or parent/guardians participating in a 4-H event or activity are expected to notify and disclose in detail to the event management any health issues, special needs, or allergies that may prevent them from fully participating or pose a risk to themselves and/or other participants. Parents/guardians of the 4-H members that are taking medication should decide if event management should be notified of their child's need for assistance with taking the medications.

Confidentiality

Medical information provided to event management will be kept confidential and held in a secure location that is not readily accessible to general observation. Disclosure of information can occur if necessary to safeguard the health and welfare of the youth involved.

SECTION 6

ROLES OF THE COUNTY EXTENSION AGENT, 4-H VOLUNTEERS AND PARENTS OF MEMBERS IN THE 4-H YOUTH DEVELOPMENT PROGRAM

Role of a County Extension Agent

County Extension agents have the responsibility for oversight of the 4-H Youth Development Program in their assigned counties. This includes the following responsibilities:

- Coordinate the chartering of 4-H membership units (clubs, groups, programs). Chartering includes permission to use the 4-H name and emblem.
- Coordinate the chartering of county 4-H organizations (i.e. 4-H Council, volunteer/parent groups, committees, etc.). Chartering includes permission to use the 4-H name and emblem.
- Provide opportunities for all youth who have reached the appropriate age to be participants and/or members in the 4-H Youth Development Program.
- Serve as lead person to plan and coordinate the county 4-H program.
- Staff the 4-H clubs/units utilizing volunteers with the assistance of the volunteer/parent leadership and youth leadership.
- Assist the volunteer/parent leadership and youth leadership by providing in-service education and resources for all 4-H volunteers in the county.
- Explain and enforce 4-H policies and procedures.
- Train and supervise 4-H volunteers, as needed, in conducting the county 4-H Youth Development Program.
- Ensure that a quality 4-H educational program is conducted in the county.
- Inform 4-H volunteers and members about opportunities at county, district, regional, state, national and international levels.
- Appoint and/or dismiss 4-H members, 4-H volunteers, and 4-H parents.
- Ensure all volunteers who are fully supervising chaperones have completed Child Protection Training and certification.
- Provide volunteers with necessary training and resources to promote inclusion of all youth and adults in the 4-H Youth Development Program.

Role of a 4-H Volunteer

4-H is a non-formal educational program delivered by volunteers who are managed by County Extension Agents. A 4-H volunteer leader is a person who is responsible for a group, activity or event, and the members and/or other volunteers involved.

Volunteerism is critical to the success of the Texas A&M AgriLife Extension Service's 4-H program. The criteria set forth for becoming a direct, indirect, or episodic volunteer to 4-H is designed to ensure volunteers that maintain a continuing relationship with 4-H are appropriately assigned duties in the best interest of program success. Texas 4-H is very fortunate to have individuals across the state interested in volunteering to make the program more efficient and effective in accomplishing its goals.

From time-to-time individuals are unexpectedly placed into volunteer roles by emergency, necessity, or just plain good samaritanship. Due to the unexpected (and limited) nature of their service to Extension, it may be impossible to complete the formal volunteer application process. Despite the absence of a formal designation as volunteers, these individuals often play an important role in the program. While they are performing duties to assist in delivery of program content or similar tasks, Extension considers these individuals to be of the same status, pursuant to Texas law, as volunteers that have completed the application process.

There are three major roles adults may assume in 4-H:

- **Direct Volunteer:** Volunteers who support the 4-H program through face-to-face contact with youth, e.g.: project leader, club leader, camp counselor, teacher.
- **Indirect Volunteer:** Volunteers who work on behalf of the 4-H Program but do not have face-to-face contact with youth, e.g.: board member.
- **Episodic Volunteer:** An individual who volunteers for a single or limited activity, event or program. Examples include: fair judges, workshop presenters, special committee members, and assistants or helpers at events.

The Texas A&M AgriLife Extension Service considers all three of these classes of volunteers to be "direct service volunteers" as that term is used in section 51.937 of the Texas Education Code.

To be accepted as a Direct 4-H Volunteer, an adult must:

- Be at least 18 years of age. (Overnight chaperones must be at least 21 years of age.)
- Complete a Texas 4-H Adult Volunteer Application annually or online registration.
- Be subject to a criminal conviction and sex offender background check.
- Submit payment for Volunteer Application Fee annually.
- Complete the 4-H Volunteer Orientation and Child Protection Training through 4HOnline and any other trainings based upon volunteer role.

EXTENSION VOLUNTEER STANDARDS

The Texas A&M AgriLife Extension Service Extension Volunteer Standards (EVS) program was implemented to assist in providing a safe and positive environment for everyone involved in AgriLife Extension programs including our youth and adult clientele, our volunteers, our employees, and the agency. The EVS program requires criminal conviction and sex offender background checks of all direct adult volunteers 18 years of age or older.

Volunteers must enroll annually using the 4HOnline online management system or complete the Texas 4-H Adult Volunteer Application. Volunteers working directly with youth will be assigned a screening status that may be approved, restricted, denied, or dismissed based on their application information and information received from the criminal conviction and sex offender background check.

Training must also be completed and application fee received prior to serving in a 4-H direct volunteer role.

Volunteer Liability

In order for a volunteer to serve with the Texas A&M AgriLife Extension Service and the Texas 4-H Youth Development Program, all 4-H volunteers should be formally enrolled through the 4HOnline enrollment system or on the 4-H Adult Volunteer Leader Application on an annual basis. Criminal history and sex offender background checks will be conducted every three (3) years for volunteers through the Extension Volunteers Standards office. Each year, returning volunteers will be asked to confirm that they have not been arrested or convicted during the previous year.

Texas A&M AgriLife Extension Service volunteers do not have the same immunity from liability as government units and employees. However, volunteers may be immune from civil liability under Section 51.937 of the Education Code for discretionary acts within their scope of duties as volunteers for the Texas A&M AgriLife Extension Service. This law does not apply to the operation of motor vehicles.

Chaperoning Youth

A person must be at least 21 years of age at the time of a 4-H event to serve as an adult overnight chaperone.

Volunteer Code of Conduct

The following guidelines assist volunteers in understanding personal conduct expectations during the course and scope of their duties. 4-H Volunteers must abide by all applicable Texas A&M AgriLife Extension Service procedures.

A 4-H Volunteer is expected to:

- Recognize that serving as a 4-H volunteer is a privilege and an honor, not a right. Participation is contingent upon eligibility for volunteer service, compliance with program rules, and adherence to the directives of Texas A&M AgriLife Extension Service and the Texas 4-H Youth Development Program. This volunteer status can be removed at any time by AgriLife Extension.
- Respect the individual rights, safety, and property of others.
- Carry-out the assigned position responsibilities that he or she has accepted. Volunteers will agree to a position description when enrolling in 4HOnline (or paper application form). Full position descriptions are available on the Texas 4-H website. Additional expectations may be determined by the County Extension Agent and/or local county staff. Volunteers are expected to work amicably with and through the County Extension Agents and/or local staff as a 4-H volunteer.
- Participate in routine volunteer training opportunities and activities pertinent to their duties.
- Be committed to the core values, education goals, and standards of the 4-H Youth Development Program.
- Support the 4-H Youth Development Program and its rules and guidelines.
- Respect, adhere to, and support the rules, policies, and guidelines established by Texas A&M AgriLife Extension Service, the Texas 4-H Youth Development Program, and Extension employees in setting program standards, priorities, and direction.
- Support the non-discrimination practices of the 4-H Youth Development Program, providing equal opportunities in programs, activities, and education regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity.
- Make reasonable efforts to provide access to 4-H related information and equal opportunities to youth in their community to participate in project activities, awards programs, and other events and activities.
- Adhere to Texas laws on the use of motor vehicles.
- Not consume alcohol and/or illegal drugs (or to be under the influence thereof) while involved or en route to or from any 4-H event, meeting, or activity.
- Serve as good examples for youth in both public and private life. This includes appropriate dress, language, and moral conduct in accordance with the generally recognized standards of our society.
- Use technology and social media in an appropriate manner that reflects the best practices in your role as a 4-H volunteer. Understand that communication, including social media, unrelated to official 4-H activities is prohibited between adult volunteers and minors (except parent-child relationships).
- Technology and social media use should always be professional and be a positive reflection of the 4-H Youth Development Program.
- Maintain direct supervision of 4-H members and not leave their delegation unsupervised unless approval was received from the individual in charge of the overall event or delegation.
- Not sign a lease agreement, use permit with schools or other public or private facilities, or grant or other contracts on behalf of Texas A&M AgriLife Extension Service. All such agreements shall be forwarded to the local office of Texas A&M AgriLife Extension Service for review and forwarding to appropriate official for signature.

- Recognize Texas Law requiring all adults to report suspected child abuse to proper law enforcement or county child protective services.
- Safeguard and hold confidential any information gained through administrative duties involving supervision of participants or other information identified by the program as being confidential.
- Not physically or verbally abuse a youth member or use corporal punishment to reprimand 4-H members for inappropriate behavior.
- Understand that falsifying enrollment information, budgets, documents, or records is a violation of AgriLife Extension and Texas 4-H policies, rules and guidelines, and may also be a criminal act under Texas law.
- Not engage in sexual activity with youth members.
- Adhere to fiscal responsibility and financial management best practices as outlined by the Texas A&M AgriLife Extension Service.
- Register as a volunteer in only one county.
- Not receive compensation for professional services provided in support of youth 4-H activities (excluding reimbursement for expenses).

Consequences for Infractions

Volunteers' infractions of the Texas 4-H Volunteer Code of Conduct must be reported to the 4-H Youth Development staff and/or applicable Texas A&M AgriLife Extension Service Office. Consequences may include:

- Discussion of the inappropriate actions with the 4-H leader and clarification of the policy.
- Reassignment or suspension of volunteer.
- Termination as a 4-H volunteer.
- Notification of incident to the appropriate law enforcement agency.

A volunteer may be reassigned, suspended, or dismissed at the sole discretion of the Texas A&M AgriLife Extension Service, with or without cause. Examples of conduct which could lead to disciplinary action include, but are not limited to: illegal activity, behavior which compromises the health and safety of youth, violating an Extension policy, violation of 4-H Rules and Guidelines, willfully violating or causing children to violate rules, being habitually disruptive to the overall program, unwilling or unable to work amicably with agents and/or other volunteers, exhibit conduct which is harmful to the 4-H program's reputation, or failure to rotate the leadership role. The nature and seriousness of the infraction or violation will determine whether the option of reassignment, suspension, or dismissal should be considered.

An adult volunteer who is unable to grasp the overall philosophy of youth development may be asked to leave and/or counseled toward other avenues of volunteering.

A child who has a parent dismissed as a 4-H volunteer is still eligible to participate in 4-H.

Immediate Removal of an Adult from an Event

Any adult (volunteer or otherwise) may be required to immediately leave any 4-H function for illegal activity, using abusive language, threatening any individual, becoming violent, causing or threatening bodily harm to any minor (including their own child) or adult, violating an Extension policy, violation of 4-H Rules and Guidelines, willfully violating or causing children to violate rules, being habitually disruptive to the overall program, unwilling or unable to work amicably with agents and/or other volunteers, exhibit conduct which is harmful to the 4-H program's reputation, or exhibiting signs of being under the influence of alcohol or drugs.

SECTION 7

FINANCIAL MANAGEMENT

As a youth development organization that receives financial support from various entities in our communities, it is our responsibility as a 4-H Program, County Extension Offices & Agents, Volunteers, and 4-H Club officers/members to ensure that the management of financial funds is handled in the most transparent manner. The Texas 4-H Financial Management Guidelines provide rules, guidance, and best practices for Extension Offices, volunteers, and club officers to follow when it comes to the management, accountability, and reporting of 4-H funds.

The management of 4-H club/group funds should be of the utmost priority for the leadership of the 4-H club/group. To help Texas 4-H Clubs/Groups manage their funds please refer to the document called "Texas 4-H Financial Management Guidelines." This publication is the official rules and guidelines for managing 4-H funds within the Texas 4-H Youth Development Program and can be downloaded from the Texas 4-H website.

SECTION 8

OTHER RULES AND GUIDELINES

Dress Code

It is important that 4-H youth and adults participating in county, district and state events are appropriately dressed for the occasion. Youth and adults giving leadership to the event should be notified by Extension personnel of appropriate dress for the occasion.

4-H Name and Emblem

Use of the 4-H clover and name is protected under 18 U.S.C.707. The 4-H Name and Emblem is a highly valued mark within our country's history. As such, it was granted a very unique and special status; it is in a category similar to the Presidential Seal and the Olympic Emblem. The care of this name and emblem is the responsibility of all Texas A&M AgriLife Extension Service employees.

Texas 4-H clubs and affiliate groups are permitted to use the name and emblem once their charter is approved through the Texas 4-H Office. Use on a multi-county or state basis shall be approved by the Assistant Director and State Director for 4-H Youth Development. Any commercial vendor, private organization or other entity, must request permission through the Texas 4-H Youth Development State Office, who in turn will advise in regard to steps to take for use of the 4-H name & emblem. Any request to use the 4-H name & emblem in a way that does not specify a local or state program, must route through National 4-H Headquarters at USDA in Washington D.C. In all instances, such use shall conform to state and national policy and be for the furtherance of the 4-H educational program rather than for the benefits of private individuals, commercial vendors, donors, or others.

4-H and Advertising

In any advertisement, display, exhibit, film, news release, publication, web page, radio program or television representation, the 4-H message must be distinctly set apart from commercial reference. Advertisements, public releases or displays done by 4-H clubs or groups, 4-H members, volunteer leaders, Extension or its employees can not include actual or implied testimonials or endorsements of business firms or their products or services.

Insurance - General Liability

The Texas 4-H Youth Development Program holds a general liability policy through Texas 4-H Inc. This policy provides liability coverage and defense for the Texas 4-H Inc. entity, officers and directors, employees, chartered 4-H clubs and groups, and registered volunteers performing duties within the scope of their responsibilities. Local and county chartered 4-H clubs/groups are not required to purchase general liability insurance (in most situations). The general liability policy does not extend to accident/medical coverage for 4-H youth or volunteers. An additional insurance policy is held by Texas 4-H Inc. for accidents or medical situations.

Insurance - Accident and Medical

All ACTIVE Texas 4-H youth and volunteers are covered by a limited accident/medical insurance policy through American Income Life Insurance. The policy covers only enrolled and active 4-H members in activities and events associated and sponsored by a chartered 4-H club/group. If any accident/medical situation occurs at or during a 4-H event, the incident must be reported to the County Extension Agent and/or volunteer in charge. All claims must be filed with the Texas 4-H Youth Development State Office within ten (10) days of the occurrence.

If a 4-H club/group is hosting or sponsoring an event or activity where non-4-H members and/or adults are present, it is recommended the 4-H club/group purchase a separate accident/medical policy to cover those participants. This insurance can be purchased from a variety of insurance providers such as American Income Life (<http://www.americanincomelife.com/who-we-serve/4-h-insurance>) or other local vendors.

It is suggested that each volunteer consult with their insurance provider/carrier to evaluate personal insurance needs based on their roles and responsibilities associated with the Texas 4-H Youth Development Program.

Cooperation between 4-H, FFA and other Organizations

A cooperative relationship is expected between the 4-H Youth Development Program and FFA. The exhibiting of projects and participation in similar educational and competitive events offered by the two organizations, should always emphasize maximizing educational opportunities for young people. Consistent with the rules and guidelines of the specific events and contingent upon an agreement between the county Extension staff responsible for the 4-H Youth Development Program and the faculty member responsible for the FFA program, youth are allowed to use the same projects and/or activity to participate in FFA and 4-H programs.

Unescorted Minors Traveling

Unescorted minors who travel to 4-H events beyond the county level in their own vehicle where lodging is required on site are expected to turn in the vehicle ignition and door lock keys to the adult in charge upon arrival. Minors traveling to and from 4-H events beyond the county level are expected to have written permission from a custodial parent/guardian to travel alone or leave the group outside the posted schedule.

Americans with Disabilities Act

The Texas 4-H Youth Development Program acknowledges its responsibility to comply with the Americans with Disabilities Act of 1990. Individuals with a disability who require an accommodation in order to fully participate in or access a Texas 4-H Youth Development Program activity, meeting and/or program, are asked to submit their request for accommodation as early as possible. Ten (10) working days ahead of the scheduled activity, meeting and/or program is desirable. To request an accommodation, please contact the event or activity manager.

Title IX

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in educational programs and activities at institutions that receive federal financial assistance. Sexual harassment, including sexual violence, is a form of sex discrimination and is therefore prohibited under Title IX. If you have questions or concerns, or want to file a complaint, contact:

Each individual shall disclose to the County Extension Agent any personal interest which he or she may have in any matter pending before the Texas 4-H Program or any of its clubs/groups and shall refrain from participation in any decision on such matter.
