Award Packet

The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, or gender identity and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.

INTRODUCTION

Each year, the Texas 4-H Youth Development Program provides awards and recognition for various individuals and groups that provide support to the 4-H program. This award program is commonly known as the Salute to Excellence Award Program.

LOCAL RECOGNITION

Honorees will be presented their awards locally through surprise celebration events and signs that award recipients can place in their front yards. The “surprise” element of the award recognition will help our award winners to feel the excitement and honor of receiving this award.

TAKE NOTE! The target date to notify nominators is around April 5. The signs for the local surprise celebration are planned to be mailed on or around April 8. **Plan to conduct the local surprise celebration sometime between April 15 and April 30.** If you receive the sign sooner than April 15, please feel free to celebrate before April 15. The surprise celebration should be conducted during this time frame so that a statewide announcement can be made on or around May 1.

Nominators will need to plan to take high quality videos and photos from the surprise award presentation and submit them so that they may be used to share through the state-wide recognition efforts. **Please send by May 1.** A link and location to upload the files will be shared with nominators. A compilation video of these presentations will be showcased during Texas 4-H Roundup in June. You are encouraged to also post any photos and videos to social media including #texas4h and #4hSaluteToExcellence hashtags.

STATE RECOGNITION

The Salute to Excellence Luncheon will be held during the 2024 Texas 4-H Roundup. The luncheon will be held on Wednesday, June 5, 2024. Check-in will begin at 11:45 am. After the award presentation and luncheon, honorees are invited to stay for the evening Roundup Assembly in Reed Arena. Honorees will be recognized across the stage during the evening assembly.

Each honoree will receive a luncheon ticket for himself/herself, plus one additional complimentary ticket to the award luncheon. Should the honorees be a couple, that will count as their two tickets. All other guests, including Extension employees, are required to purchase a luncheon ticket for \$25.00 each. **RSVP and luncheon ticket purchases must be completed between May 1 and May 13.** Additional details will be shared with award recipients.

PRIOR HONOREES

A list of prior award winners is linked on the online application. Please review this list to ensure the person you are nominating has not been honored with the award previously. An award can only be presented one-time to an individual and/or supporter.

NOMINATION PROCEDURE

Recognition of individuals who have made significant contributions to the youth of Texas is one of the most important things the Texas 4-H Youth Development Program can do. Any Extension employee, 4-H member and/or volunteer may make nominations for the awards. Therefore, County Extension Agents are encouraged to share this information with co-workers, volunteers and 4-H members. Self-nomination is discouraged.

All nominations will include a 1–2-page (750-1500 words) narrative description of why the nominee should be considered for the award. (Think of it like a letter of recommendation for the award.) Read the award description before preparing the narrative to ensure it contains all the needed information. Feel free to include any quotes from members or volunteers that were influenced by the nominee.

You will need the following information before completing the nomination form:

- Name of award nominee
- Phonetic spelling of nominee’s name
- Mailing address, phone number, and email address of nominee
- Photo of nominee. (See notes below about photo.)
- County Extension Agent’s name and email to receive a copy of the nomination

- 75-100-word description written in third person to be used as a script for award presentation
- 1-2-page (750-1500 words) nomination narrative. It is suggested to use a word processing program to write, edit, and review the award descriptions prior to accessing the online nomination system. After all information has been written and proofed, copy and paste text into the online form.

Photo – A high resolution digital photograph of the nominee(s) will need to be submitted **when completing the application online**. This photo is used for the development of media and marketing materials for recognition purposes. **A high resolution, head and shoulders shot is preferred. Please do not send family or group photos.** Only the honoree should be in the photo. If you don’t have a photo at the time of nomination, please email them following the nomination submission to Laura Huebinger at lhuebinger@ag.tamu.edu.

For all award nominations, the correct corresponding award application/nomination form must be completed and submitted online by the deadline listed. Be concise, brief and interesting.
