---

Insert or glue head-to-toe photo of participant in the competition garment in the space below. Photo/Photos should not exceed the space below.

## **Workmanship**

Identify two construction techniques used during construction and their importance/significance to the garment.

What barriers did you face in constructing your garment?

What techniques did you use to ensure the stability of your garment?

## **Originality**

What was the inspiration for your design?

Describe the design process in creating your garment.

## **Use of Trash and Recycled Materials**

How and where did you collect your items?

How did you prepare your recycled items for the garment?

## Environmental Factoid
